A.O.B

Alan was upset that after asking members who would like to play over xmas and having booked Bondhay some members pulled out which was fair enough but took offence that it appears someone rang round asking someone who had committed to play at Bondhay to then make a 4 x ball up at Birley instead, this riled Andy Thickett who then didnt follow the etiquette expected within the society and swore and talked over Alan causing a situation which wasn't pleasant to everyone there. This is totally unacceptable behaviour and will be discussed at the next meeting to remind everyone that all members are entitled to voice their opinion and all present at meetings can have their say in turn but in a calm manner. Mark thanks Dave for keeping the website upto date..
