Robert Knight chaired the meeting (in the absence of Lee Rafter). Meeting opened at 8.15 pm

Minutes of last meeting accepted as a true record by:

Proposed: Graham Allen / Seconded: Barry Ledger

Matters arising from previous meeting

New society polo shirts – Martin advised that he has recently been in discussion with Jason Pardoe for each to part-subsidise new polo shirts. This needs to be finalised when Martin next sees Jason. Carried forward to the next meeting as Martin and Jason need to discuss.

Martin also advised that he is happy to contribute £300 to the society for new polo shirts – thanks given by all at the meeting to Martin for this very kind offer (NB. for clarity, this figure does not need to be matched by Jason, it is just a gesture by Martin).

Captain's comments

Absent from meeting.

President's comments

Andy apologised for missing recent meetings due to work commitments. Andy advised he is looking to book Styrup Hall GC as he did last year due to the positive response he got. More details to follow at the next meeting.

Treasurer's report

Gary gave summary of JPGS finances so far in 2014. Recent bonus ball winners will be given their money at the next medal as none attending the meeting.

Gary advised that there are a number of members behind with their subs. RK took details and a text will be sent to all requesting payment ASAP.

Gary advised that he will be booking College Pines for his away day on Sunday 1 June if there are no objections? All members at meeting happy with this choice so Gary to go ahead with the booking. Tee time will be 10.30 am and usual society format for the day. Cost will be around the £34 mark.

Handicap secretary's report

Absent from meeting.

Secretary's report

Lee sent his apologies prior to meeting as unable to attend due to hospital visit with HID.

RK went over times for March medal at Tinsley Saturday 8 March – first tee time 10.38 am. Discussion took place in regards to attendance as it seems Barry wasn't down as playing so RK to check this with Lee.

A O B

Simon queried if Milfield would be considered for future medals during the winter months? RK advised he was certain it would be as all players who played the course enjoyed it and it was certainly better than playing Birley/Tinsley in the condition they were at that time.

Martin also commented it may need consideration to play medals at a later time if we are struggling to book the times we need early morning? This will have to be looked into if required.

Meeting closed: 8.50 pm

Next meeting: Birley, 8pm Thursday 3 April 2014
