A.O.B

General feeling from members regarding away days & whether we should bother having the meals after golf as some have been disappointing. Which could lead us getting better deals at more courses just by having bacon butty, tea/coffee and golf, this will be discussed at the AGM

It has been brought up that some members of the society have been making inappropriate comments to a fellow member, this is totally unacceptable. All golfing etiquette must be adhered to on and off the course....
