#### A O B

Richard Lightning advised that he is stepping down from the society due to his child's football commitments. Richard up to date with his lottery subs so Mark returned his £20 deposit money. Members wished Richard all the best for the future and it was a shame his involvement was so short.

Alan wanted to apologise for his DQ issue at previous medal at Beauchief and he understands the reason for it (not putting out on the 18th) but he was a little frustrated about certain issues that were occurring within certain members who had completed their round and were stood outside the clubhouse having a drink.

Discussion took place about this and opinions were given about the actual event from a playing perspective and from people who had finished. After much discussion, RK summarised this issue and the crux of it is etiquette and a little bit more thought and consideration needs to be given at all times from all members in regards to conduct whilst playing golf – be this on the tee, on the green or when you have finished your round.

Andy Dobson wanted to thank Graham, Martyn and Robert for their help during the away day and that it was much appreciated and helped the day go smoothly.

Pat wanted to thank members for allowing a guest to attend recent away day at Styrupp and the guest enjoyed the day very much.

Nathan wanted to thank all committee members so far for arranging such good away days and he has really enjoyed playing in them and they have been very well organised.

New member wishing to join the society: John Wordsworth

Proposed: Pat Songhurst / Seconded: Barry Ledger.

New member voted in unanimously. John paid his £20 deposit money and was given fixture list and given club number of 14.
