Matters arising from previous meeting

None

Secretary's report

RK thanked members for attendance at recent Captain's Day and it was an enjoyable day. Thanks to Simon for organising a good day all round. RK advised that July medal at Beauchief booked with tee times from 9.34-9.58. RK requested again that if people do want to play in a medal they need to reply to the text that is sent enquiring about attendance as times are only being booked based on the responses that RK receives.

RK will also going forward send a reply text to all people that express a wish to play in the upcoming medal to ensure they are aware they have been included.

RK passed around his entry sheet for Owston Hall on Saturday 18 August for anybody who has not added their name to it. RK went over the plans for the day as this has been changed to bacon sarnie, golf and meal after (same cost of £32).

Captain's comments

Simon thanked everyone for their recent attendance at his golf day and he hoped all enjoyed it.

Simon also showed members the polo shirt that Martin Shaw recently produced

for an away day and what he will part subsidise for anybody wanting a new shirt. Further discussions to take place during November's AGM to decide who requires a shirt and to decide on a colour.

President's comments

Martyn thanked members for attendance at recent Captain's Day and thanked Simon for organising the events. Martyn passed around his entry sheet for Laceby Manor on 29 July for anybody who has not added their name to it if they wish to attend and MB went over the cost and the plans for the day.

Treasurer's report

Absent, apologies sent prior to meeting. Craig advised he will come to next medal at Beauchief to collect any subs.

Handicap secretary's report

Andy passed around results from last medal/away day with updated handicaps

A O B

Chris queried if the cost of engraving the trophy he recently won was his responsibility? RK advised this is correct and it would be appreciated if he had the captain's day trophy engraved for future reference. Franky advised he is due to have another operation on his arm so will not be able to play for the foreseeable future. Franky wanted to ensure all members were OK with this and if they were not he was willing to step down from the society. All members advised they were more than happy for Franky to stay in the society. RK advised that as long as he keeps his subs up to date then absolutely no problem with him staying in the society for as long as he wants to.

Dave advised that JPGS website now all up to date.

Danny and Andy both raised the issue of handicaps and that something needs to be done to raise them as a large number of members are playing off false handicaps. Andy advised that he is looking into a proposal to raise handicaps based on their previous results since joining the society and he will get this sorted for the AGM as nothing can be done until this time.
