Treasurer's Report

Craig Jackson Gave a full financial report.

Basically we have slightly over spent buying the Christmas Classic drinks.

The fact that we have added an extra Handicap Sec Competition and the poor attendances at Monthly Medals has affected the yearly income.

However we are still have funds available but will need next year's away day deposits

early in January 2012

With this in mind can everyone pay the first 5 weeks subs at the January meeting or

medal?

This will generate the funds for use on Away Day deposits.

PR thanked Craig for all his efforts as Treasurer through-out the 2011 season.

No Captain's Report: - Martin Barnet not present.

President's Report

Rob Knight gave a report.

Rob has received the BWGC 2012 fixtures from P R, and will now be finalising the 2012 Fixtures which will be issued at the January Meeting.

Rob pointed out that the new members who are accepted into the Society should be aware that their attendance to the Monthly Medals is essential as the Raffle Revenue is required to meet the 2012 budget.

It should be asked how many fixtures the new members intend to attend?

Secretary's Report.

P R had nothing to report, and handed over to Graham Allen to give information on the December Medal booking details.

Graham Allen reported that the December Medal will be at Birley Wood G C on Sunday 11th December 9-30 first Tee Off. (4 times booked.)

A discussion took place as to future booking plans, and will continue into the next meeting, pending changes to the S I V on-line booking system.
