Such delegation shall not relieve said owner of his obligations and responsibilities as a Member under the Bylaws, Rules and this Declaration.

Section 5.4 Damage or Destruction of Common Area. In the event any Common Area is damaged or destroyed by a willful or grossly negligent act of an Owner or any of his guests, tenants, licensees, agents, or members of his family, such Owner shall be liable therefore to the extent of liability imposed by local law and such Owner does hereby irrevocably authorize the Association to repair the damaged property, and the Association shall so repair the damaged property in good workmanlike manner in substantial conformance with the original plans and specifications. The Owner shall then repay the Association the amount actually expended for such repairs. Each Owner further agrees that these charges for repairs, if not paid within ten (10) days after completion of the work, shall be delinquent and shall become a lien upon such Owner's Lot and shall continue to be a lien until fully paid. The lien shall be subordinate to any First Mortgage or encumbrance on the subject property. Said charges shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum (but not to exceed the maximum rate permitted by Arizona law). The amount of principal and interest owed by the Owner to the Association shall be a debt, and shall be collectible by any lawful procedure allowed by the laws of the State of Arizona.

Section 5.5 Restriction on Conveyance of Common Areas and Facilities. The Common Area and facilities owned by the Association may not by act or omission, be abandoned, partitioned, subdivided, encumbered, sold or transferred without the prior written approval of two-thirds (2/3) of each Class of voting members of the Association, except that the Declarant may re-subdivide the Common Area, and the Association shall have the right at all times to grant easements over the Common Area for the purpose of constructing, erecting, operating or maintaining thereon, therein and thereunder: (a) roads, streets, walks, pathways and driveways; (b) temporary overhead or permanent underground lines, cables, wires, conduits or other devices for the transmission of electricity for lights,

heating, power, telephone, cable TV and other purposes; (c) sewers, storm drains and pipes, drainage easements, water systems, water heating and gas lines or pipes; and (d) such other improvements as may be provided for in this Declaration or be deemed advisable in the sole discretion of the Board of Directors. Further, Common Area may be conveyed by the Association if approved in writing by Declarant, or if in the discretion of the Board such conveyance is necessary to correct errors, avoid boundary line disputes or to avoid undue hardship.

ARTICLE VI
COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 6.1 Creation of the Lien and Personal Obligation to Pay Assessments.

Each Owner, by acceptance of a deed to any Lot, whether or not it shall be so expressed in such deed, agrees and is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, (2) special assessments for capital improvements, and (3) individual repair and maintenance assessments, such assessments to be established and collected as hereinafter provided. Any and all assessments levied against a Lot, together with interest thereon from the date of delinquency until paid, and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys fees, shall be a continuing lien upon the Lot.

Delinquent assessments, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment was levied. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them. The sale or transfer of a Lot shall not relieve the prior Owner thereof from personal liability to pay delinquent assessments, plus interest, costs and attorney's fees. Such obligation shall remain the personal obligation of the defaulting Owner. The new Owner, except a First Mortgage as set forth herein, shall take title to such Lot subject to the Lien of the full amount of the delinquent assessment.

Section 6.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Members and their guests, for the improvement and maintenance of the Common Area and for all purposes set forth in the Articles, Bylaws and this Declaration. The Board of the Association may provide that assessments include a reserve fund for maintenance, repairs and replacement of those elements of the Common Area owned by the Association.

Section 6.3 Maximum Annual Assessment.

A. **Initial Maximum Annual Assessment.** Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Thousand Dollars (\$1000.00). Subject to the provisions of Subsection 6.3B of this Section, the Board shall each year estimate the total expenses anticipated for the coming year and shall determine the necessary level of reserve balances for ordinary and unexpected expenses, and shall determine the annual assessment necessary to generate the required revenues. The annual assessment determined to be necessary in any given year may be set at any amount less than or up to the maximum annual assessment permitted for such year.

TICN404-00101-1

B. Increases in Maximum Annual Assessment. Subject to Subsection 6.3C of this Section, the Board shall not, in any given year, increase the maximum annual assessment by an amount greater than (i) ten percent (10%) of the amount of the preceding year's maximum annual assessment or (ii) the percentage increase in the cost of living index for "All Statistics of the United States Department of Labor all Urban Consumers (hereinafter called the "Cost of Living Index Number"), whichever is greater. In the event that the Bureau of Labor Statistics should fail to publish a comparable Cost of Living Index Number during any such years, but a comparable Cost of Living Index Number shall be published by any governmental agency of the United States in place thereof, then such comparable index number shall be used for the purpose of adjusting the maximum annual assessment under the provisions of this Section 6.03 with the same force and effect as the Cost of Living Index of the Bureau of Labor Statistics.

C. Approval of Membership. Any increase by the Board in the annual assessment which is greater than the amount permitted under Section 6.03(B) hereof must be first approved by the holders of two-thirds (2/3) of the votes of each Class of Membership who vote in person or by proxy at a meeting called for this purpose.

Section 6.4 Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement of the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of the holders of two-thirds (2/3) of the votes of each Class of Members who vote in person or by proxy at a meeting called for this purpose.

Section 6.5 Individual Assessments. The Association may also levy and collect from each Owner individual assessments against specific Lots, and shall have a lien therefore, should the special circumstances of any Lot or Lots require special maintenance, expense or costs to be incurred by the Association for the protection of any of the Properties, Lots or Common Areas or should the Association be required to perform maintenance or repair upon a Lot or take enforcement action hereunder. Such individual assessments may be levied by action of the Board.

Section 6.6 Notice and Quorum of an Action Authorized Under Section 6.3 and Section 6.4. Written notice of any meeting called for the purpose of taking action authorized under Section 6.3 and Section 6.4 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the votes of each Class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6.7 Uniform Rate of Assessment; Declarant Exempt. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis. However, and subject to the limitations set forth in Section 6.3B hereof, said uniform rate may be revised periodically to reflect revisions in the annual assessments based on actual operating costs of the Association.

Notwithstanding anything to the contrary herein, Declarant shall not be responsible for payment of any assessments established pursuant to this Declaration or the Articles or Bylaws, except that Declarant shall pay assessments on Completed Lots owned by Declarant. For purposes of this Section "Completed Lots" shall mean any Lot with a Dwelling Unit thereon ready for occupancy as a home that is in the condition of any other Dwelling Unit sold to persons living in the Properties (e.g., carpet, kitchen countertops and cabinets, plumbing and lighting fixtures, etc., installed), but shall not include any Lots with improvements thereon used by Declarant as models or sales offices.

Although Declarant may contribute to the expenses of the Association and the maintenance of the Common Area, it is understood that Declarant is not and shall not be held liable for the payment of any assessments provided for in this Declaration of Bylaws by virtue of the ownership of Lots within the Properties unless such ownership is of Completed Lots as herein defined, and that the failure to pay said assessments shall not give rise to any right of imposing any lien or encumbrance upon Lots owned by Declarant as security for the payment of said assessment unless Declarant has failed to pay said assessments on Completed Lots as herein defined.

Section 6.8 Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot to an Owner. The first annual assessment shall be in an amount equal to or less than the maximum annual assessment as determined by the Board, and shall be adjusted according to the number of months remaining in the calendar year. The Board thereafter shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto in the event of its increase or decrease from the last annual assessment. The due dates shall be established by the Board.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of the assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 6.9 Effect of Non-Payment of Assessments; Remedies of the Association. Each Owner agrees to the payment of interest and costs and to the collection and enforcement of the assessments in the manner herein specified.

A. **Interest and Costs.** All delinquent assessments shall bear interest at twelve percent (12%) per annum (but not to exceed the maximum rate permitted by Arizona law). Late payments shall first be credited toward interest due, then towards assessments first due. In the event the Association employs an attorney for collection of any assessments, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, or for any other purpose in connection with the breach of this Declaration, each Owner agrees to pay reasonable attorney's fees and costs thereby incurred, in addition to any other amounts due or any other relief or remedy obtained against said Owner.

B. **Enforcement.** In the event of a default in payment of any such assessment when due, in which case the assessment shall be deemed delinquent, and in

addition to any other remedies herein or by law provided, the Association may enforce each such obligation in the manner provided by law or in equity, or without any limitation to the foregoing, by either or both of the following procedures:

1. Enforcement of Personal Obligation. The Board may cause a suit at law to be commenced and maintained in the name of the Association against an Owner to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon from the date of delinquency until paid, court costs, and reasonable attorney's fees in such amount as the Court may adjudge against the delinquent Owner or Member.

2. Enforcement of Lien. As provided in 6.1 above, all assessments, plus interest and costs connected therewith, shall be a continuing lien upon the Lot assessed. Such lien shall be deemed to have attached as of the date of recordation hereof and on the Lot in favor of any municipal or other governmental assessing unit, reservations in patents, and the lien of any First Mortgage.

(A) Notice and Claim of Lien. At any time after occurrence of any default in the payment of any such assessment, the Association or any authorized representative may, but shall not be required to, make a written demand for payment by the defaulting Owner. Said demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for demand but any number of defaults may be included within a single demand. The Association may, whether or not such a written demand is first made, file and record a claim of lien on behalf of the Association against the Lot of the defaulting Owner. Such a claim of lien shall be executed and acknowledged by any officer of the Association, recorded in the office of the County Recorder of Pima County, and shall contain substantially the following information:

- (1) The name of the delinquent Owner;
- (2) The legal description of the Lot against which claim of lien is made;
- (3) The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, collection costs, and reasonable attorney's fees (with any proper offset allowed);
- (4) A statement that the claim of lien is made by the Association pursuant to this Declaration;
- (5) A statement that a lien is claimed against said Lot in an amount equal to the amount stated; and
- (6) A statement that the claim of lien will also extend to all assessments which became due but are not paid from the date of the recording of the claim of lien to the date of payment of all amounts set forth therein (including interest thereon, reasonable attorney's fees, costs and collection), and that the claim of lien

will only be deemed satisfied and released when the Owner is current in the payment of all such amounts.

(B) Foreclosure of Lien. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a realty mortgage or trust deed as set forth by the laws of the State of Arizona, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of all other Owners. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage, and convey attorney's fees, court costs, title search fees, interest and all other costs and expenses shall be allowed to the extent permitted by law. Each Owner hereby expressly waives any objection to the enforcement and foreclosure of this lien. Notwithstanding the foregoing, the failure by an Owner to pay assessments provided for herein shall not constitute a default under any federally insured mortgage.

Section 6.10 No Exemption of Owner. No Owner is exempt from liability for payment of assessments by waiver of the use of the Common Area or by abandonment of Lot.

Section 6.11 Subordination of the Lien to First Mortgages; Sale or Transfer of Lots. The lien of the assessments provided for herein, including without limitation any fees, costs, late charges, or interest which may be levied by the Association in connection with unpaid assessments, shall be subordinate to the lien of any First Mortgage. Sale or transfer of any Lot pursuant to foreclosure of any such First Mortgage or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of such executory land sales contract, shall extinguish the lien of assessments or charges which became due prior to any such sale or transfer, or foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contract; provided, however, that any such delinquent assessments or charges, including interest, late charges, costs, and reasonable attorneys' fees, which are extinguished as provided herein, may be reallocated and assessed to all Lots as a common expense. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture of such executory land sales contract, shall relieve any Owner of a Lot from liability for any assessments or charges thereafter becoming due, nor from the lien thereof. In the event of foreclosure of a First Mortgage or the taking of a deed in lieu thereof, such First Mortgagee shall not be liable for unpaid assessments or other charges which accrued prior to the acquisition of title to the Lot in question by such First Mortgagee.

Section 6.12 Mortgage Protection. Notwithstanding and prevailing over any other provisions of this Declaration, or the Association's Articles or Bylaws, or the Rules, the following provisions shall apply to and benefit each First Mortgagee of a Lot.

A. Liability for Assessment and Other Charges.

1. First Mortgagees shall not in any case or manner prior to acquiring title to a Lot be personally liable for the payment of any assessment or charge, nor for the observance or performance of any covenant, restriction, regulation, Rule, Article or Bylaw, except for those matters which are enforceable by injunctive or other equitable actions, not requiring the payment of money, nor shall a First Mortgagee be liable for any violation of the Restrictions that occurred prior to such First Mortgagee acquiring title.

2. At such time as the First Mortgagee shall become record Owner of a Lot, said First Mortgagee shall be subject to all of the terms, conditions and Restrictions of this Declaration, including but not limited to the obligation to pay for all assessments and charges accruing thereafter, in the same manner as any Owner.

B. Right to Exercise Rights of Owner. During the pendency of any proceeding to foreclose the First Mortgage, including any period of redemption, the First Mortgagee (or receiver appointed in such action) may, but need not, exercise any or all of the rights and privileges of the Owner of the mortgaged Lot, including but not limited to, the right to vote as a Member of the Association to the exclusion of the Owner's exercise of such rights and privileges.

C. Right to Pay Charges on Common Area. First Mortgagees are hereby granted the right to jointly, or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Area owned by the Association, and such First Mortgagees may, jointly or singly, pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such Common Area and any First Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association.

D. Priority. Nothing in this Declaration shall in any manner be deemed to give a Lot Owner, or any other party, priority over any rights of a First Mortgagee of a Lot pursuant to the terms of such First Mortgagee's mortgage in the case of a distribution to an Owner of insurance proceeds or condemnation awards for losses to or a taking of any Lot or any part of the Common Area owned by the Association.

E. Other Rights. Each First Mortgagee shall, upon written notice to the Association identifying the name and address of the holder, and the Lot number or address of the Lot encumbered by its mortgage, be entitled to:

1. Receive written notification from the Association of any default in the performance by the Owner of a Lot encumbered by the Mortgage in favor of such First Mortgagee of any obligation under this Declaration or under the Articles, Bylaws, or Rules of the Association which is not cured within sixty (60) days.
2. Inspect the books and records of the Association during normal business hours.
3. Receive an annual financial statement of the Association within ninety (90) days following the end of any fiscal year of the Association.
4. Receive written notice of all meetings of Members of the Association.
5. Receive written notice of any condemnation loss or casualty loss affecting a material portion of the Properties.
6. Receive written notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond.
7. Receive written notice of any proposed action that requires the consent of a specified percentage of First Mortgagees.

ARTICLE VII
EASEMENTS AND COMMON WALLS

Section 7.1 Easement for Encroachments. Each Lot and the Common Area shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the Declarant, including footings and walls thereon. A valid easement for said encroachments and for the maintenance of same, so long as any such encroachment stands or is rebuilt to stand, shall and does exist.

Section 7.2 Utility Easements. In addition to those specific easements shown on the Plat, there is hereby created a blanket easement upon, across, over and under the Common Area(s) for ingress, egress, installation, replacing, repairing and maintaining all utility and service lines and systems, including, but not limited to, water, sewer, gas, telephone, electricity, television, cable or communications lines and systems, etc. By virtue of this easement, it shall be expressly permissible for the providing utility or service company to install and maintain facilities and equipment on the Common Area and to affix and maintain wire, circuits and conduits on, in and under the roofs and walls of Common Area. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities or service lines may be installed or relocated on the Properties, except as initially designed and installed by Declarant or thereafter approved by the Board. This easement shall in no way affect any other recorded easements on the Properties. In no event shall any portion of the above mentioned easements for utilities be constructed to authorize the placing or installing of sewers, electrical lines, water lines or other utilities under any permanent building structure constructed on the Properties. There shall be an access easement for the delivery and collection of the U.S. Mail.

Section 7.3 Easement for Walls and Other Improvements. Declarant or its successors may construct walls and other improvements, including but not limited to, driveways, walkways, exterior lighting (metered to a particular Dwelling Unit), drainage structures, etc., as a part of, or for the use of, a particular Dwelling Unit which may encroach upon or encompass portions of the Common Area or adjacent Lots. Wherever such encroachments on the Common Area or adjacent Lots should occur, the Owner of the Dwelling Unit involved shall have, subject to the conditions hereinafter set forth, a perpetual permanent right for such perimeter walls to encompass portions of the Common Area or adjacent Lots and for such other improvements to encroach upon portions of the Common Area or adjacent Lots.

In consideration thereof, such Owners agree to maintain and keep in repair any improvements encroaching upon the Common Area or adjacent Lots which were constructed for the use of their Lot.

In the event any such Owner should make demand upon the Association or upon the Owners of adjacent Lots to repair or maintain any Common Area which because of incidental encroachment lies within such Owner's yard area enclosed by a perimeter wall, or to maintain and repair any improvements encroaching upon the Common Area or adjacent Lots, then the Association or the Owner of the adjacent Lot upon which the encroachment lies, as the case may be, shall have the absolute right, and may cause the Owner making such demand, to remove at his expense the perimeter wall or other improvements encroaching upon the Common Area or adjacent Lot and to replace and rebuild, in accordance with the

Board's plans and design specifications, such perimeter wall as to be within such Owner's Lot.

Section 7.4 Electrical Service and Telephone Lines. All electrical service and telephone lines shall be placed underground and no outside electrical lines shall be placed overhead, except existing overhead lines; provided that no provisions hereof shall prohibit the erection of temporary power or telephone structures incident to construction.

Section 7.5 Pedestrian/Utility Easement. If portions of the Lots are encumbered by a pedestrian or utility easement as shown on the Plat for the benefit of pedestrians or for the installation and placement of utilities, then by accepting a deed to any Lot, the Owner acknowledges and consents to such easement.

Section 7.6 Common Walls. The rights and duties of Owners with respect to common walls or fences shall be as follows:

A. Each wall, including patio walls and fences, which is constructed as a part of the original construction of the Dwelling Unit, any part of which is placed on, adjacent to, or over the dividing line between separate Dwelling Units, shall constitute a common wall. Each Owner consents to the use and construction of such common walls and acknowledges that portions of the Properties may contain common walls. With respect to any such wall, each of the adjoining Dwelling Unit Owners shall assume the burden of and be entitled to the benefits recited in this Section and to the extent not inconsistent herewith, the general rules of law regarding common walls shall be applied thereto.

B. The Owners of contiguous Dwelling Units who have a common wall shall have reciprocal easements for support and an equal right to use such wall provided that such use by one Owner does not interfere with the use and enjoyment of same by the other Owner.

C. Unless other provisions of this Section are applicable, the costs of reasonable repair and maintenance of a common wall shall be shared equally by the Owners who make use of the common wall in proportion to such use.

D. In the event any common wall is damaged or destroyed through the act of one adjoining Owner, or any of his guests or agents or member of his family so as to deprive the other Owner of the full use and enjoyment of such wall, then the first of such Owners, if required under local law, shall forthwith proceed to rebuild and repair the same to as good condition as formerly without cost to the other Owner.

E. In the event any common wall is damaged or destroyed by some cause other than the act of one of the adjoining Owners, his agents, guests or family, (including ordinary wear and tear and deterioration from lapse of time), then in such event, both such adjoining Owners shall, if required under local law, proceed forthwith to rebuild or repair the same to as good condition as formerly at their joint and equal expense.

F. Notwithstanding anything to the contrary herein contained, there shall be no impairment of the structural integrity of any common wall (other than by Declarant) without prior consent of the adjoining Owner.

ARTICLE VIII
ARCHITECTURAL CONTROL COMMITTEE

Section 8.1 Composition of Committee. The Architectural Control Committee shall consist of three (3) or more persons appointed by the Board of Directors of the Association; provided, however, that until Lots 1 through 74 have been conveyed to the first Owner thereof other than the Declarant, Declarant shall appoint the Architectural Control Committee without a meeting and without a vote of the Members, and during said period, no election of the Members of said committee shall be had unless Declarant has in writing relinquished its rights of exclusive appointment. A majority of the Committee may designate a representative to act for it.

Section 8.2 Review by Committee. No Dwelling Unit, structure, improvement, (including but not limited to any building, fence, wall, driveway or other surfaced area), or any attachment to an existing structure, shall be made, placed or constructed upon any Lot or the Properties (except by the Association upon the Common Area); no change of the exterior of a Dwelling Unit, structure, or improvement shall be made; no change in the final grade of any Lot shall be made; and no landscaping shall be installed or changed (except in enclosed rear yards), unless complete plans and specifications (including a construction schedule) showing the nature, design, kind, quality, shape, height, materials, color scheme and location of any such Dwelling Unit, improvement, structure, attachment, or landscaping, shall have first been submitted to and approved in writing by the Architectural Control Committee. The Architectural Control Committee shall exercise its best judgment to the end that all Dwelling Units, attachments, improvements, construction, landscaping and alterations to structures on land, located within the Properties (collectively referred to herein as "Architectural Improvements") conform to and harmonize with the existing surroundings and structures. Decisions of the Architectural Control Committee shall be binding and conclusive.

Notwithstanding the foregoing, the Declarant shall not be required to submit any plans or specifications whatsoever to the Architectural Control Committee, nor shall any consent or approval of the Architectural Control Committee be required for the construction or alteration of any improvements by the Declarant.

Section 8.3 Procedures. The Architectural Control Committee shall approve or disapprove all plans within thirty (30) days after submission and issuance by the Association of a receipt therefore. In the event the Architectural Control Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval shall be deemed denied, except that the party submitting the plans may resubmit the plans and if no response is given for a period of thirty (30) days after a written request by certified mail for a decision, approval shall be deemed given. The Architectural Control Committee may establish its own rules amplifying or supplementing the foregoing procedures. The Architectural Control Committee may from time to time, without notice, establish, add to, delete or amend separate standards, rules and procedures, which shall not be contrary to or inconsistent with these Restrictions, providing for or otherwise relating to the submission, processing, review and approval of plans and specifications for Architectural Improvements or various portions or stages thereof. The Architectural Control Committee shall not be bound by previous standards or interpretations of its standards; and any consent or approval of a prior set of plans and specifications shall not preclude disapproval of a subsequent identical or similar set of plans and specifications.

Section 8.4 Vote. A majority vote of the Architectural Control Committee is required to approve a proposed change or improvement, unless the Committee has designated a representative to set for it, in which case the decision of the representative shall control.

Section 8.5 Liability. The Architectural Control Committee and the members thereof shall not be liable in damages to any person submitting requests for approval or to any Owner by reason of any action, failure to act, approval, disapproval or failure to approve or disapprove in regard to any matter within its jurisdiction hereunder.

Section 8.6 Variance. The Architectural Control Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article or Article IX hereof in order to overcome practical difficulties and prevent unnecessary hardships arising by reason of the application of the Restrictions contained in this Article or Article IX hereof.

Section 8.7 Nonconforming Architectural Improvements. In the event that the Architectural Improvements do not, upon the proposed date set forth in the construction schedule, conform to the plans submitted to and approved by the Architectural Control Committee, the Architectural Control Committee shall give written notice to the Owner of the property upon which such Architectural Improvements have been made. Such notice shall specify the nature of the nonconformity of the Architectural Improvements and shall grant the Owner a hearing before the Architectural Control Committee in accordance with the Bylaws.

If an Owner has not, within sixty (60) days of the mailing or delivery of the written notice, corrected the nonconformity of the Architectural Improvement, then the Architectural Control Committee shall have the right and an easement to direct its agents, employees or contractors to enter upon the said Owner's property for the purpose of making any or all of such improvements, alterations or repairs as are necessary to bring the Owner's Architectural Improvements into conformity with the plans submitted to and approved by the Architectural Control Committee.

All costs incurred by the Association in the course of the Architectural Control Committee's efforts to bring the nonconforming Architectural Improvements into conformity with the approved plans as provided above, including costs of labor, materials and all associated administrative costs reasonably incurred by the Association in connection therewith, shall be added to and become part of the assessment to which such Owner's Lot is subject and shall become a lien on such Owner's Lot and the improvements thereon, and shall be enforceable and collected as provided for herein as an individual assessment.

Section 8.8 Color and Building Materials. Without limiting the foregoing, no color changes nor any changes in the original building structure, composition or products shall be permitted without approval of the Architectural Control Committee.

Section 8.9 Broad Discretion of Architectural Control Committee. In reviewing plans for alterations, modification, additions or other changes to a Dwelling Unit, improvement or structure upon a Lot, the Architectural Control Committee shall exercise its discretion in deciding whether or not an alteration or modification is in harmony with the overall scheme of subdivision development. The Architectural Control Committee shall have the right to deny alterations or modifications for purely aesthetic reasons if the Architectural

Control Committee considers the alteration or modification to be unattractive in relation to the overall scheme of development, or if the Architectural Control Committee considers the alteration or modification to be a nuisance or upset of design, or if the Architectural Control Committee considers the alterations or modifications to be in contrast to or out of harmony with the style of existing structures, or if the physical views of the Properties will be disrupted by the alteration or modification. The Architectural Control Committee may elicit the opinion of other Owners, including the neighbors of the Owner submitting the plan for alteration or modification, as to the conformity and harmony of the proposed plan with the overall scheme of development, and the effect that the proposed plan might have on the physical views of other Owners. After eliciting these opinions, the Architectural Control Committee may, but need not, take them into account in making its final decision of approval or disapproval of an alteration or modification to an existing structure. While the opinion of no single Lot Owner will control a decision of the Architectural Control Committee, the Architectural Control Committee may, within its own discretion, but need not, attach whatever significance it deems sufficient to the statements of residents and/or neighbors of the Owner submitting the proposed alterations or modifications to an existing structure.

Section 8.10 Fee. The Association may establish a reasonable processing Fee to defer the costs of the Architectural Control Committee in considering any requests for approvals submitted to the Architectural Control Committee. The fee for initial submission and processing of plans and specifications shall be \$300.00, provided that such fee may be increased from time to time by the Association as it deems appropriate. The Association also may establish a fee schedule and amend such schedule from time to time, with respect to all or any portion or stage of the processing of plans and specifications as provided for in Section 8.2

Section 8.11 Exemption. Notwithstanding the above, Declarant shall not be required to submit any plans to or obtain any consent whatsoever from the Architectural Control Committee for any improvements, structures or landscaping built, constructed, erected, modified or altered by Declarant on the Properties.

ARTICLE IX USES AND RESTRICTIONS

All the Properties shall be held, used and enjoyed, subject to the following limitations and restrictions (in addition to all other provisions hereof):

Section 9.1 Private Residential Purposes. Dwelling Units and Lots shall be occupied and used by the respective Owners solely for private single family residential use of the Owner, his family, tenants and social guests and for no other purpose. No manufactured, pre-fabricated or mobile homes shall be permitted. No gainful occupation, profession, trade or other non-residential use shall be conducted on the Properties, except that (a) Declarant may maintain sales offices, construction offices and sales models on the Properties, and (b) an Owner may carry on a "Home Occupation" as provided below.

"Home Occupation" as permitted by this Section means private consultation and advice in trades and professions, and the sales or creation of art work, small wares and miscellaneous goods at a retail level, and includes consultation by professionals such as accountants, lawyers, and doctors, but no portion of the Properties nor any dwelling unit shall be used for the full-time general practice of any profession, nor as a lodge, regular club

meeting place, religious institution, revivalist, cult or sect meeting place, nor may the interior of any dwelling unit be used for medical or surgical treatment or procedures.

An Owner or occupant residing in a dwelling unit may conduct a Home Occupation solely within the confines of a Dwelling Unit so long as: a) the existence or operation of the business activity is not apparent from the outside of the Dwelling Unit, and no sound or smell from the outside of the Dwelling Unit indicating the conduct of business is detectable; b) the business activity conforms to all zoning requirements for the Properties; c) the business activity does not involve frequent or annoying traffic by persons coming on the Properties who do not reside in the Properties or door-to-door solicitation of residents of the Properties; and d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance or hazardous or offensive use, nor threaten the security or safety of other residents of the Properties.

No Home Occupation may involve heavy equipment or machinery, manufacturing, drilling, burning or conversion of any garage or carport into a business office or room.

No business conducted upon the Properties or in any dwelling unit by persons other than the Declarant or its successors and assigns, may result in any change to the exterior appearance of any dwelling unit or lot, and no business conducted, except by the Declarant, shall involve signs, buildings, or structures in addition to the Dwelling Unit.

The Board of Directors shall have the discretion to determine whether, in a particular case, the conduct of a Home Occupation violates the provisions hereof. If such determination is made, the Board of Directors shall have the authority to require that the Home Occupation in question cease immediately.

Sales offices, sales models and construction offices utilized by the Declarant on the Properties need not be owned by Declarant. Further, sales models and sales offices may be utilized on the Properties as sales models and sales offices for the benefit of other subdivisions of Declarant.

No animal shall be allowed to become a nuisance. A "reasonable number" as used in this Section shall ordinarily mean no more than two pets per household; provided, however, that the Architectural Control Committee may determine, in its sole and absolute discretion, whether a particular animal is a generally recognized house or yard pet or a nuisance, or whether the number of animals is reasonable.

Section 9.3 Trash Containers. No garbage or trash shall be placed or kept on any Lot within the Properties, except in covered containers of a type, size, and style which have been approved by the Architectural Control Committee, and containers shall at all times be hidden from view except on days of trash pick-up. The Architectural Control Committee may waive the requirement of screening or may consider such equipment adequately screened should it determine, in its sole discretion that the size, location, general appearance and height of the equipment renders the erection of such equipment unobtrusive and not materially damaging to the overall appearance and welfare of the Properties, and the Architectural Control Committee may adopt written rules, standards or guidelines as all to such matters.

Section 9.6 Nuisances. After completion of construction of any dwelling units and landscaping of Lots, no rubbish or debris of any kind shall be placed or permitted thereon so as to render any such property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. No loud or offensive noise, excessively glaring or bright lights, foul odors or other nuisance shall be permitted to exist or operate upon the Properties so as to be offensive or detrimental to its occupants. The Architectural Control Committee, in its sole discretion, shall have the right to determine the existence of any such nuisance.

Section 9.7 Parking and Storage of Vehicles.

A. General Rule. Any and all motor vehicles not prohibited by the provisions hereof shall be stored in a carport or garage so as to conceal the same from view from adjoining property or from the street or public way, except that vehicles (other than recreational vehicles, commercial vehicles, motor homes, campers, trailers, boats and similar vehicles, as provided below) may be parked upon the paved driveway surfaces of each Lot when there is insufficient room within an enclosed garage.

B. Recreational and Commercial Vehicles. Parking and/or storing of recreational vehicles, commercial vehicles, motor homes, campers, trailers, boats and similar vehicles is prohibited on all portions of the Properties, and on any public streets adjacent thereto, except within the confines of an enclosed structure which has been first approved by the Architectural Control Committee, in its sole and absolute discretion. Such vehicles may be parked on the parking area of an Owner's Lot, but only for short periods of time solely for purposes of loading and unloading.

C. Use of Recreational Vehicle as Living Quarters; Storage of Vehicle as Under Repair. The use or occupancy of a recreational vehicle, motor home, van, camper, trailer, or boat as living quarters on either a temporary or permanent basis is strictly prohibited on any portion of the Properties. At no time shall there be any outside storage of motor vehicles in stages of construction, reconstruction, modification or rebuilding of parts of motor vehicles such as frames, bodies, engines or other parts or accessories.

Section 9.8 Diseases and Insects. No Owner shall permit any thing or condition to exist upon any property which shall induce, breed or harbor infectious plant diseases or noxious insects.

Section 9.9 Drainage. There shall be no interference with the established drainage pattern over any property unless approved by the Architectural Control Committee or unless adequate provision is made for proper drainage conforming to applicable city and county rules, regulations, ordinances, and drainage criteria. For purposes hereof, "established drainage" is defined as the drainage which exists at the time the overall grading of the Properties is completed, or which is shown on any plans conforming to applicable rules, regulations, ordinances, and applicable drainage criteria.

Section 9.10 Modification of Exterior Wall. Unless approved by the Architectural Control Committee, no Dwelling Unit Owner shall alter or modify the exterior wall of a dwelling unit by cutting any opening in or placing any window of any kind in said exterior wall.

Notwithstanding anything to the contrary contained in this section, no sewers, electrical lines, water lines, or other utilities or service lines may be installed or relocated on the Properties except as initially designed and installed or thereafter approved by the Architectural Control Committee. This easement shall in no way affect any other recorded easements on the Properties. In no event shall any portion of the above-mentioned easements for utilities be construed to authorize the placing or installing of sewers, electrical lines, water lines and other utilities under any permanent building structure constructed on the Properties. This easement shall be limited to improvements as originally constructed.

Section 9.12 Electrical Service and Telephone Lines. All electrical service and telephone lines shall be placed underground and no outside electrical lines shall be placed overhead; provided, however that the Declarant shall not be prohibited from erecting temporary power or telephone structures incident to construction.

Section 9.14 Temporary Structures, Mobile Homes, Etc. No manufactured, prefabricated home or mobile home shall be permitted or placed upon any Lot or anywhere else in the Properties. Except as hereinafter provided, no structure of a temporary character, including but not limited to a house trailer, tent, shack, temporary garage, or outbuilding shall be placed or erected upon any Lot, and no residence placed or erected upon any Lot shall be occupied in any manner at any time prior to its being fully completed, nor shall any residence when completed be in any manner occupied until made to comply with all requirements, conditions, and restrictions herein set forth; provided, however, that during the actual construction or alteration of a structure on any Lot, necessary temporary structures for storage of materials may be erected and maintained by the person doing such work. The

Section 9.15 Lots to be Maintained. Each Lot shall at all times be kept by the Owner in a clean, sightly, and wholesome condition. No trash, litter, junk, boxes, containers, bottles, cans, implements, machinery, lumber, or other building materials shall be permitted to remain exposed upon any Lot so that the same are visible from any neighboring Lot or street, except as necessary during the period of construction.

Section 9.16 Lots Not to be Subdivided. No Lot shall be subdivided or re-subdivided, except by Declarant, or except for the purpose of combining portions of a Lot with an adjoining Lot, provided that no additional building site is created thereby. Re-subdivision by Declarant may result in additional Lots at its discretion.

Section 9.17 No Hazardous Activities. No activities shall be conducted on the Properties and on improvements constructed on the Properties which are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon the Properties and no open fires shall be lighted or permitted on the Properties, except in a contained barbecue unit while attended and in use for cooking purposes or within a safe and well designed interior fireplace or firepit, or except such campfires or picnic fires on property designated for such use by Declarant.

Section 9.18 Tanks. No tanks of any kind, either elevated or buried, shall be erected, placed, or permitted upon any Lot.

Section 9.19 Signs. No billboards or advertising signs of any character shall be erected, placed, permitted or maintained on any Lot or improvement thereon of this subdivision, except that in the course of selling a Dwelling Unit, one sign not to exceed five square feet in size shall be permitted in the front yard area of a Lot. Section 9.21 Landscaping. All front and side yard landscaping shall conform to and be compatible with original landscaping installed by Declarant, and landscaping shall not be permitted to cause a nuisance nor shall landscaping be placed near foundations so as to require watering which may undermine the integrity of such foundations. Without limitation, no hedges, trees or other landscaping shall be permitted in front or side yards within fifteen feet of any front Lot line or corner Lot line unless installed by Declarant or approved by the Architectural Control Committee, or unless in replacement of similar landscaping installed by Declarant.

Section 9.22 Renting. Each Owner shall have the right to lease or rent his Dwelling Unit; provided, however, that any lease agreement, including any agreement to lease the Dwelling Unit on a month-to-month basis, must be in writing and must provide that the failure of any lessee or tenant to comply with the Rules, Bylaws, Articles and provisions of this

Declaration shall be a default under the lease. Any lease agreement shall be for a period of not less than thirty (30) days, and a copy thereof shall be delivered to the Association.

Section 9.24 Insurance Dates. Nothing shall be done or kept on any Lot or Common Area which will increase the rate of insurance on such property nor shall anything be done or kept on or in any Dwelling Unit or Common Area which will result in the cancellation of insurance on any such property or which would be in violation of any law, unless expressly approved by the Architectural Control Committee.

Section 9.25 Slope and Drainage Easements; 100 Year Flood Prone Areas; Natural Areas. No structures or improvements of any kind shall be made, placed or constructed within the 100 year flood prone areas shown on the Plat without the approval of the City of Tucson.

Section 9.27 Exemption of Declarant. Nothing in these restrictions shall limit the right of Declarant to complete excavation, grading, and construction of improvements to any property owned by Declarant, or to alter the foregoing, including alterations of design or materials or both, or to construct such additional improvements as Declarant deemed advisable in the course of development so long as any Lot or dwelling unit therein remains unsold, or to use any structure as a model home or real estate sales or leasing office.
