Message from the HOA Board of Directors

The irrigation system for the community (parking strips and parks) is not currently working. The HOA is working toward a solution, but the issue is still under investigation and may take some time to resolve. If you'd like to help keep the parking strips green, please give them a water from time to time.

There are several leaks, and some of these may have been caused by signs being placed in the parking strip areas. Please do not place any signs in the parking strip (see section 10 of the Policy and Procedures). Also, remember to call 811 if you do need to dig (for any reason) in your yard to avoid hitting a water line.

Did you know you can tell Amazon where to drop off your packages? You can also select a day of the week for all your deliveries to arrive so you know you'll be there to scoop them off the porch before anyone else can.
