My name is Abdel Rahman Samih Abufara, I am 23 years old and I was born in Kingdom of Saudi Arabia. Since my childhood I was obsessed with drawings and design, I like inventing new things. The years had passed and now I realized how important keep improving myself to increase my talent because this is a competitive major.

In addition, I have an experience in 2D and 3D architectural designs as well, web designer, I also use Photoshop, Premiere, InDesign and Illustrator.
