

Operation Operations

Day 11

Skills: Expanded form, figures and words, Ordering numbers, decimal place value, understanding multiplication, summing decimals

1. In an adult church service, there were three hundred and fifty-four women and two hundred and thirty-three men in attendance. How many people were at the service?

2. Add half of 432 to a third of 90?

$$\left(\frac{432}{2}\right) + \left(\frac{90}{3}\right)$$

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

3. Complete the table below with the appropriate figures and words

Words	Figures
One million, two hundred and ninety-three thousand, four hundred and five	
Four thousand, two hundred and fifty	
	24,879,200
	1,891
	267

4. Arrange the numbers in the place value chart below, 5he first one has been done for you.

	Th		Unit	Tenth			
24.226		2	4	2	2	6	
100							
1240.01							
30.15							
19.267							
1							

5. Perform the operations on the decimal numbers.

$$\begin{array}{r} 32.74 \\ + 3.6 \\ \hline \end{array}$$

$$\begin{array}{r} 32.24 \\ - 23.6 \\ \hline \end{array}$$

6. The Rochenback train made three stops on Tuesday. It left the first stop with 60 people onboard and picked up 243 people at the second stop. At the third stop, 150 people got on and 74 people got off the train.

- a. How many people were on the train after the third stop?
- b. Write this number in expanded form.
- c. When did the train have the highest number of people?

Operation Operations

Day 11

Multiplication and Division: 0, 1, 2, 3, 4, 5, 6 and 7 tables

×	6	3	7	4	9	12	11	1	8	2	10	5
