**Lesson 185: HEALING THE NOBLEMAN'S SON**  
**JOHN 4:46-54**

Then Jesus went back to Cana in Galilee, where he had turned the water into wine. A nobleman, which means he was a government official, was there whose son was sick in Capernaum. When he heard that Jesus had come from Judea to Galilee, he went to him and asked him to go to Capernaum and heal his son, who was about to die. Jesus said to him, "None of you will ever believe unless you see miracles and wonders." "Sir," replied the official, "Come with me before my child dies." Jesus said to him, "Go your way; your son will live!" The man believed Jesus' words and went. On his way home his servants met him with the news, "Your boy is going to live!" He asked them what time it was when his son got better, and they answered, "It was one o'clock yesterday afternoon when the fever left him." Then the father remembered that it was at that very hour when Jesus had told him, "Your son will live." So the nobleman and all of his household believed after that. This was the second miracle that Jesus performed after coming from Judea to Galilee.

### Good News Discussion

When the nobleman was on his way back to his home in Galilee, which was about 25 miles away, his servants met him with some really good news! They must have known that the nobleman would want to know that his son was going to live, so they went on the way to Cana to meet him with the good news.

The word “Gospel” means good news too! Can you think of some things that makes the Gospel “good news”?

Write down some things that makes the Gospel good news and discuss what each means with the class.

(i.e. – we are forgiven, we get to live in heaven, we have the Holy Spirit to guide us and empower us, we know that God is not mad at us, etc.. etc..)

**PRAYER** If there are any children who have not yet responded to the gospel, lead them in a prayer of salvation. Be sure to note any first time commitments to the Lord.
