Information

Below is the information regarding tenders found on this page

Any Maltese company can bid for the tenders on this web page.

Tender fees vary from one country to another, but for Libya all tender fees are 47 euros for each tender.

If you are bidding for any tender, please submit your offer on your company's letterhead, include all information requested, sketches, specifications, photos or any other details required in the tender.

8% commission for NLCS must be included in your quotation. If the company wins the tender, commission to NLCS will be paid not later than 20 days after the Company receives payment from the client.

Companies that are already members with NLCS, will not pay any tender fees, and commission for NLCS will be according to the members' agreement.

Closing dates for tenders cannot be changed. Completed documents for tenders must be sent on tenders.nlcs@gmail.com. After sending documents please call on 79736657 to check if the documents were received.

Important that tender fees will be paid when submitting the documents. If payment is done by online banking please send receipt with tender documents. If payment is done by cheque, this is to be payable to Pierre Calleja.
