

Cocreative Clivias 2019 Seedlist

Orders placed at cocreativeclivias@gmail.com

Sale of seed is subject to the following conditions:

- 1) Only orders placed via E-mail will be accepted. **There are 5 seeds per packet.**
The price is per packet
- 2) First come first served. As soon as you have paid your order is reserved.
- 3) South African orders will be sent with POSTNET.
- 4) Overseas buyers are welcome and can pay with US\$ into a PayPal account. The PayPal fees, our local banking fees and postage is included in the price in US\$
- 5) Overseas orders will be posted with registered pot. You will be provided with a tracking nr.
- 6) You need to provide us with your name, contact no and nearest Postnet branch if in South Africa. Otherwise we need your name, contact no and postal address if you are from overseas.
- 7) Use your surname when you make a deposit and forward the proof of payment to us. (Eg JP Kohler)
- 8) Special Care is taken when pollination is done under controlled circumstances in a closed room away from other pollen or pollinators. However we can not guarantee the crosses 100%. I have three daughters, they have the same father and mother, yet they look different. This is how genetics work.
- 9) Seed will only be posted in June/July when the seeds are ripe.
