**Sale of seeds are subject to the following conditions:**

- 1) Orders must be placed at [cocreativeclivias@gmail.com](mailto:cocreativeclivias@gmail.com)
- 2) Orders will be processed on a First come First served basis.
- 3) Overseas orders are welcome. Overseas buyers pay in US\$ into a pay pal account. US\$ will depend on the Rand/Dollar exchange rate.
- 4) If you have paid your full amount + Postage R100 then your order is finalized.
- 5) If you pay into pay pal you will pay an additional 5% for pay pal fees and 5% for bank fees deducted by pay pal and the bank.
- 6) We will confirm your order via e-mail
- 7) Please provide us with you full details: Name, Surname, e-mail, full postal address.
- 8) If you are in the USA we need a letter from your agricultural department and the green sticker.
- 9) A Lot of care is taken when pollination is done under controlled circumstances. Yet we can not 100% guarantee the outcome due to the nature of genetics. I have three daughters, yet they look different form each other.
- 10)Seeds will be posted by end of June, beginning of July.
