The deposit is non- refundable and will be applied to the purchase price of the kitten when the buyer assumes physical possession of the assigned kitten. Deposit may be via cashiers check, money order, cash in person. Or via PayPal. Check can be made payable to Robert Mattox. Records will be kept to keep track of payments made and keep track of total. Kitten will not be considered sold until deposit is received. Remainder of kitten price will need to be paid in full before the kitten is released to the new home. Kitten/cats may be shipped out or picked up no earlier than 12 weeks of age only after full payment has been received. If kitten/cat should die before it is in the buyer's care, a replacement kitten will be given when available. **Buyer's Initials:** _____

Guarantee: This kitten/cat is guarantee to be in good health, to the best of the seller's knowledge. If he/she wishes, the buyer has 72 hours , from the date of ownership in which to have the kitten checked by a licensed veterinarian. Failure to have cat/kitten checked by licensed veterinarian within 72 will void health guarantee. After 72 hour, of the health guarantee period, the seller cannot be held accountable for further diagnosis of bacterial or viral infection environment after leaving are care and are not a result of genetic or breeding. If there is problem that cannot be rectified. You may return the kitten to us. At your expense, on the day following the vet exam, along with a veterinarian's statement stating the problem. Upon the kitten/cat's return, it will be replaced with another. If one is not available the buyer will be placed first on the waiting list. (Exclusion: This dose not include the presence of parasites and also dose not apply to health problems resulting from an injury or accidents due to the buyer's negligence), the following provisions will be honored. All medical expenses are sole responsibility of the buyer.

All kitten are vaccinated and treated for worm before leave. However, you need to be aware that these things can arise and that they are usually not serious (even though seeing blood in the stool appears serious) and easily treated and we will not cover the treatment for them after they leave our possession.

Viral, bacterial cold or bloody stools (form of worms) which are easily treated and are not covered in the health guarantee as they are natural things kittens can pick up. Umbilical hernias also referred to as 'outie' belly buttons are also no covered in the health guarantee. Kitten are naturally risk for viral and bacterial colds, and worms, which is often brought on by the stress of a new home, new food, new people , or just a change in environment. The kitten/cat is guarantee against congenital defect up until it one year old . Should anything arise within this time due to a congenital defect, the kitten/cat will be replaced by one of the same quality and value when the next litter become available. The replacement will only be given if necropsy has been performed and certificate from a licensed vet is provided as proof of death. The cost of necropsy will be responsibility of the buyer.

Buyer's Responsibilities: The kitten/cat will not be denied needed veterinary attention. If the owner is unsure whether or not the feline is in need of medical services, veterinarian will be contacted, the situation explained, and the

veterinarian's advice will be contacted, the situation explained, and the veterinarian's advice will be acted upon. The buyer shall provide proper nutrition, vaccination, vet care, shelter and exercise. Also keep a Persian reference book on hand at all times to refer back to, please call with any questions, we what to help you.

The kitten/cat will not be allowed outside. The feline will also not be destroyed for any reason other than terminal illness or injuries approved by a veterinarian. If this cat is going to be into multi-pet household, the seller will not be responsible for any illnesses or vet bills that occur due to expose between the kitten/cat and other resident's pets.\

This cat will not be de-clawed, De clawing is an in human mutilation. It consists of amputation of the first knuckle. Weekly nail-clippings, nail cover, and gentle discipline along with the availability of a scratching post or mat will eliminate scratching problems.
