Swimmer 2																	
Sibling																	
Sibling																	
Sibling																	
Grandparent																	
Driver																	
Housemaid																	
Coach																	

If you are an 11+ Saudi Aramco employee you are eligible to enter Saudi Aramco premises by showing your ID cards – If you are non-Aramcons or 3-10 employees then you will have to fill out the above request.

\* Accepted IDs are valid Saudi Nationality Card, Iqama or Passport only.

\*\* Saudi National ID or Iqama expiry date should be in Hijri calendar while Passport expiry date should be in Gregorian Calendar.

\*\*\* Please enter the expiry date as dd/mm/yyyy.

**NOTES:**

Please add and remove details as needed i.e. number of swimmers, housemaid, driver etc

A complete list of EVERY individual (swimmer, sibling, parent, coach, spectator, driver, housemaid etc.) who will be entering Dhahran Saudi Aramco camp has to be added to the list above.

This includes the name, nationality, gender, and Iqama, passport or National ID number including ID expiration date for every single individual (not family).

In addition, Security will need the vehicle make, model, color, and license plate for every single car/bus which might enter Dhahran camp.

We advise teams to submit the information for any and all individuals and vehicles who may possibly attend noting that there is no problem if someone on the security list does not come, but there is a problem if someone who is not on the list attempts to enter.

Failure to provide full information may result in denial of entry to the Dhahran facility. Swimmers barred from accessing camp for any reason will be scratched from the meet and no refund will be given.
