## SKIN : KENT

- All conditions of skin occurring in 2 or more than 2 locations – as physical general
- 38 Types Of Eruptions Represented
- TPB, BBCR – In Skin Chapter, Complaints Of Skin, Nails, Hair
- In Kent – Nails In Extremities, Hair Under Head, Face...

- Liver spots
  - SKIN - DISCOLORATION - brown - liver spots
- Melanotic spots from exposure to sun / Freckles
  - Skin, Freckles
- Tinea versicolor / Vitiligo
  - Skin, Discoloration, white spots

- Eruptions
  - Boils
  - Horny (phrenoderma)
  - Carbuncles
  - Chicken pox
  - Eczema
  - Herpetic
    - Circinate = Ringworm
    - Zoster, zona = Herpes zoster
  - Impetigo
  - Leprosy
  - Measles
- Phagedenic
  - HOSPITAL GANGRENE
- Pemphigus
- Petechiae
- Pocks
- Psoriasis
- Scabies
- Scaly(ichthyosis)
- Smallpox
- Syphylitic
- Urticaria
- Vesicular
  - Sudamina (prickly heat)

- Cicatrices
  - Scars
- Ecchymosis
- Freckles
- Ganglia
  - GANGLION = EXTREMITIES - GANGLION
- Gangrene
  - Also under - Gen. Blackness of external parts
- Intertrigo
- Lupus
- Moles, Naevi = Birthmark
  - Hydatidiform mole – Genit Fem.
- Purpura haemorrhagica(I T P)

- **Rupia**

- =eruption of tertiary syphilis with formation of bullae

- Sore becomes – **decubitus**

- Bedsore

- Wens

- Erythrema nodosum

- Skin, Induration

- Itching of skin > Vomiting
- Mosquito allergy
  - **S**kin, **S**tings of insects
- Mosquito allergy in face
  - Face, Erysipelas bites
- Snake bite
  - Generalities, Wounds, Bites of poisonous animals

- **Network** of blood vessels
  - Skin, Network
  - Chest, Capillary net work
  - Extremities, V.Vein, network in skin
- Conjunctiva full of **dark** vessels
  - Eye, **Injected**
- Cornea full of **yellow** blood vessels
  - Eye, **Spots**

- Psoriasis with joint affections
  - Skin, Eruption, **psoriasis inveterata**
- SKIN - ERUPTIONS – rash -receding in eruptive fevers
  - **Bry.**
- SKIN - ERUPTIONS – suppressed
  - = PSORA
  - SYPHILIS & SYCOSIS – in GENERALITIES

- Skin cancers
  - Gen, Cancerous affections - **epithelioma**
- Tubercular ulcer
  - Skin, Ulcer, burrowing

- **Worm** sensation under skin
  - Gen, Worms
- **Foreign body** sensation /**sand** under skin
  - GEN, Foreign bodies sens. – **cocaine**
- **Coat of skin** drawn over inner parts
  - Gen, Coat
- Gener., **FORMICATION**, Painful sensation of crawling though whole body if he knocks against any part – spig
- Sensation of small foreign bodies in glands
  - GEN, **INDURATIONS** - cocaine

# TPB: SKIN

- Related to skin, hair, nails
- Blood Sweating
- Chilblains
- Color, Yellow
- Comedones
- Corns – Horny; Sensitive
- Desquamation
- Excrescences
  - bunions
  - Condylomata
  - Cysts, Sebaceous
- Fungus
- Moles

## Eruptions

- Carbuncles
  - (PUSTULE MALIGNANT – AGGR)
- Chicken Pox
- Corroding (phagadenic)
- Erysipelas
- Furuncle
- Goose flesh in house
- Itch ( Scabies)
- Nettle rash(wheals& hives)
- Suppressed
- With Maggots
- Measles
  - Pimples
  - Small-Pox
  - Zoster

- Extravasations
  - Gangrene
  - Hair of Head Falls Out
    - Beard
    - Moustache
  - Nails
    - Brittle
    - Splitting
  - Sore ,Becomes (Decubitus)
  - Stings of Insects
  - Tetter in General (herpetic)
    - Ring Worm
- Ulcers
    - Indolent
    - Pus with maggots
    - Reopening of old
    - Salt-rheum
    - Varicose
    - Wounds in General
      - Old Wounds Break Out

# BBCR: SKIN & EXTERIOR BODY

- Boils, blood boils
- Burns
- Carbuncle = Anthrax
- Chilblains
- Cicatrices, keloid
- Color
  - Dirty
  - Yellow, jaundice
  - Blue, threatening gangrene
- Corns
- Cysts, atheroma
- Desquamation, exfoliation, peeling
- Eruptions
  - Corroding, eating (phagadenic)
  - Comedo
  - Unhealthy, difficult to heal
  - urticarious (nettle rash)
- Extravasation, ecchymosis
- Figwarts, condylomata
- Freckles
- Fungus hematodes

- Gangrene, cold, **SPHACELUS**
- Hair
- Itching- senile, **pruritis senilis**
- Impression deep
- Keloid
- Lousiness
- Milk crust
- Miliaria, miliary rash
- Nails
  - Brittle
  - Ulcerated onychia
  - Hang nails

- Nevus, **maternus pigmentosum**
- Nodes, bumps
  - Arthritic
- Petechiae, ecchymosis
- **ROTHELN**, rubella
- Pores black(comedo)
- Scarlet fever & scarlatinoid erup
- Sarcoma, medullary, soft cancer
- Smallpox
  - Variola
  - Spurious(**varioloid**)

- Soreness, excor., chafing =  
**decubitus, bedsore**
- **Tetters**(herpes, eczema)
  - Mealy, bran like, furfuraceous
  - Ringworm
- **Ulcers**
  - eczematous (salt-rheum)
  - Lardaceous, fatty
  - Fistulous, fistula
  - Gangrenous
    - Cold dry
    - Hot moist
- **Spots**
  - Death
  - Liver (brown **CHLOASMA**)
  - Red
    - Pigmented, mother's mark
- Stings of insects
- Sunburn
- Swelling white (**phlegmasia dolens**)
- Waxy alobastic like
- Wounds, reopening
- **Zoster, zona** = shingles
