SVRHMC, Nemom

DEPT OF REPERTORY, SVRHMC, NEMOM

- A person after lending money to someone doesn't ask for it, even if he doesn't get it returned in time, saying that 'What he will feel if I will ask him to return the money!'....
- Sort of anxiety

ANXIETY – CONSCIENCE OF

- A house-wife develops this kind of anxiety when she falls ill thinking that who will take care of her Children and there will be problem for her husband also
 - he has to do things on his own or her mother-in-law has to work in this old age .

- **Anxiety of conscience** – **Feeling guilty** of an action and behavior that could **presumably hurt** someone i.e **thinking that he may hurt** someone **in future**
 - whereas remorse is related to something that has already happened.

1. Rubric for Judas?

- Judas committed suicide for betraying Jesus

ANXIETY

- State of feeling **nervous or worried or tensed** that something **bad is going to happen**
- Something may go wrong **in near future** – can be about anything – **not clear what exactly (non-specific)**
- **Uncertainty / Doubt what will happen**
- **With Physical s/m – nail biting, trembling, sweating, palpitations, wrinkles in forehead**
