- “ The moments that we think badly about someone, are the moments that we are jealous about that person, – this is the bad self and we act accordingly.... “

➤ SELFISHNESS

➤ SUSPICIOUS

➤ ENVY

➤ JEALOUSY

SELFISHNESS ^K

- Thinks only of himself – NO SHARING
- All that matters are his own deeds & his own well-being, overlooks interests of other people
- Eating sweets alone, doesn't share with his friends
- Also wants toys of his brother & sister

SUSPICIOUS ^K

- DISTRUSTFUL (See Suspicious) ^K
- Suspecting or inclined to suspect
- Distrustful people are always suspecting a wrong being done to them, without sufficient evidence or proof

ENVY ^K

- Resentful/ Malicious desire for another's possession or advantages.
- This is felt when a person desiring something is deprived of it and sees another person having those things which he has longed for

JEALOUSY ^K

- having malignant feeling his neighbor has purchased a car even if he is having it. The prosperity of other is not tolerable

- Envy is more positive, Jealousy is more negative

- According Docks & Kocklenberg, Envy is more materialistic but jealousy is more sexual
