naturally control your effect...
essential oil blends for CBD & hemp

Remedies are high quality, essential oil blends designed to enhance the therapeutic effects of CBD. We carefully select materials that are natural, TTP approved and GMO-free to create complex blends that support the entourage effect and traditional aromatherapy synergies.

Our blends are created in a controlled environment, giving you a consistent product and effect. From Energy and Stress Relief to Sound Sleep, our Remedies blends will work with edibles, tinctures and topicals, as well as vape, to enhance your product.

naturally control your effect...
essential oil blends for CBD & hemp

Remedies are high quality, essential oil blends designed to enhance the therapeutic effects of CBD. We carefully select materials that are natural, TTP approved and GMO-free to create complex blends that support the entourage effect and traditional aromatherapy synergies.

Our blends are created in a controlled environment, giving you a consistent product and effect. From Energy and Stress Relief to Sound Sleep, our Remedies blends will work with edibles, tinctures and topicals, as well as vape, to enhance your product.
