GEDORE INDIVIDUAL PRECISE - CUSTOMISED

Plastic references

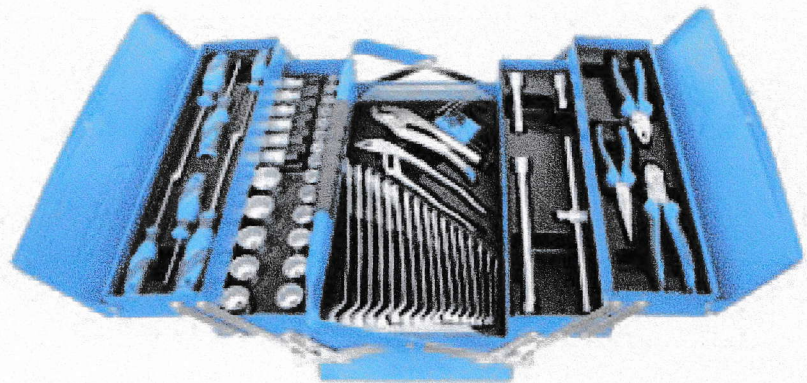

High-density foam

Why not create your perfect tool assortment to match your corporate design requests and your process specifications. We look forward to hearing from you!

All assortments are packed in high-density foam inserts or plastic references and will fit into an appropriate compartment of the GEDORE tool chests, trolleys or toolboxes.

Minimum quantities apply.

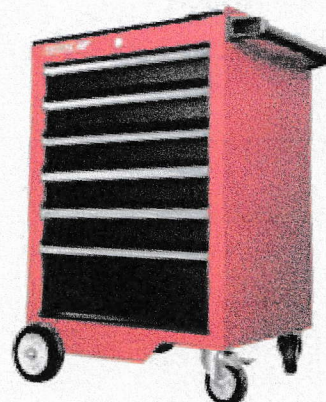

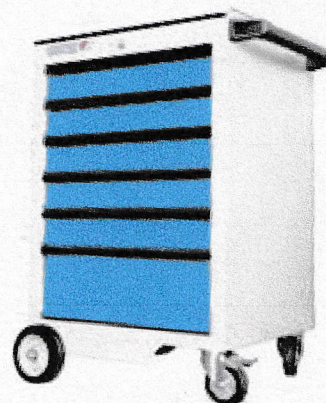

Custom colour choices

Tidy, uncluttered look and always easily accessible

- › Ready to be used straight after delivery: simply unpack and screw on the handle.
- › Whether for mobile use or stationary, every tool has its place.
- › Modular arrangement systems make daily routine that much easier (no more scratching for tools)
- › Compact tool assortments make for easy tool selection.
- › Customised equipment/tool sets in module systems and/or trolleys/benches in company design/colours.

ADVANTAGES:

- › Easy assessment of what tools to buy.
- › Spend less time 'looking for tools'.
- › Tidier workplace.
- › Easy identification and easy access of the correct tool.
- › Easily check whether the toolset is complete.
- › Elimination of unnecessary tool purchases – no surplus tool accumulation.
