Condition Report Verification

How can you tell in AS400 if a vehicle has or does not have a CR, vehicle may have a W/O but this does not necessarily mean it has a CR attached.

So how can you tell if someone calls to state CR is missing that it does or does not have a CR?

Go to desired auction location where vehicle is registered to in AS400

Go to <u>GI – 04</u>

Enter last 6 or 8 of VIN: EF157722 (preferably last eight) hit enter on the keyboard to go to the next screen
