AS400 - Determine if a Condition Report was Completed

Information

Article Number   000005250

Article Type   Procedure

Title   AS400 - Determine if a Condition Report was Completed

Purpose & Scope

List the steps to follow in order to determine if a vehicle has an existing Condition Report completed by an auction.

Procedure

Follow the steps below to find out if a vehicle has a Condition Report attached:

- Go to the **AS400** → **MAINT 55** → Select the **Auction Location** → **Enter** → **Login** again to gain access to the auction's local AS400.
- At the top of the screen Select Menu and type **GI**, tab to Select Option and type **03** → **Enter** → Press **F10**.
- Type the last 6 or 8 digits of the **VIN** → **Enter**.
- Type the **Line Numbe**r of the record to view → **Enter**.
- Press **Shift+F7** to get to the **Electronic Condition Report** page.
- Type **X** next to **Overall Picture-FRON** → **Enter**

    - If the **Picture#** field is empty, this means no Condition Report is available for the vehicle.
    - If there is a number in the **Picture#** field, then there is an existing Condition Report.
