THE POWER OF 2

- ★ **The Appi Helper;** Once anyone completes level 5 of VIP Bronze, Silver or Gold. The software automatically creates a **VIP APPI HELPER** position. We create extra position called (**Appi Helpers**) that will fill your 2x7 forced matrix.
- ★ **The Appi Helper;** will force fill from left to right top to bottom in the next available position. The **Appi Helper** is helping you and other people in your organization. These people are getting paid as an **Appi Helper** is falling under them, plus you are helping them complete their own 2x7 matrix.
- ★ **Appi Helper Buy Option;** **Appi Helper** is a position that expires after 30 days. If you are the one that helped create this **Appi Helper** through your efforts of your 5th level. You have the option to buy this **Appi Helper** position before it expires. You will now have 2 positions working for you.
