

Just Sing it

T.: Danny Costello
M.: Carsten Gerlitz

1. Some - times the skies are grey, the world is cold, and rain's com - ing down,
2. The life is great but it can't al - ways be a po - si - tive ride,

com - ing down, but, I know just the way to find some joy and spread it a - round,
life is great, you've got to make a choice and want to see the hap - pi - er side,

spread it a - round. I lift my eyes to the sky, and take a deep breath, 'cause I
hap - pi - er side. So, lift your eyes of the ground, don't wor - ry who is a - round,

know that the best kind of light, that gives me strenght for the fight
you'll feel your chains start, to break, and feel the world start to shake.

and lets my spi - rit take flight, is in the mu - sic to - night! Ref.: Just
The big - ger chance that you take is more good mu - sic you make.

sing it! Just be proud and sing it out! Just sing it! Sing out loud

what you're a - bout! When your feel - ings in - side say they don't wan - na hide, then just o -

pen up wide. Now's your chance! Just Just sing it!
