

Conquer & Flourish

Achievers

Editors note

Challenges in life are inevitable, but you must conquer them. I hope this month's newsletter will motivate you to pursue your best self and flourish in life.

3 Cs in life

Choice, Chance, Change.
You must make the choice, to take the chance if you want
anything to change in life.
- Zig Ziglar

I affirm

I AM IMMENSELY BLESSED & I HAVE A
BEAUTIFUL LIFE THAT LIES AHEAD OF ME.

I BELIEVE THAT GOD IS WORKING
EVERYTHING FOR MY GOOD. SURELY
GOODNESS & MERCY WILL FOLLOW ME
ALL THE DAYS OF MY LIFE.

Be confident

Believe in the God you serve.

Believe you can be and do whatever you decide to be & to do. Work hard to fulfill your purpose on earth. Don't be lazy and don't procrastinate.

Don't give up

There will be times when you
succeed and times when you
fail.

In the end, what matters is
that you keep pushing.

-Tailor Brands

Start small

Start where you are & with what you have. There is no time like the present, don't sit on your amazing ideas. It's never too early or too late.

JOURNAL

Pursue you!

Do more. See more. Be more.
Pursue your best self with all
you've got. Stay in your magic.

Direction is more important than the pace.
Be clear on what success looks like and feels like
for you.

Stay focused on achieving 'your success'. Don't
get lazy, work on your goals daily, weekly,
monthly...

Work hard

Dream then do what you can
with your best ability to turn
your dreams into your reality.
Eventually things will fall into
place.

"Keep trusting God, keep working hard,
don't give up on your dreams and be
consistent"

Let God be God

...those who hope in the Lord
will renew their strength. They
will soar on wings like eagles;
they will run and not grow
weary, they will walk and not
be faint (Isaiah 40:31).

"Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own."

JESUS CHRIST

Wellness

Take care of yourself

While chasing goals & dreams, make sure you are also taking good care of yourself. Do all the things that will ensure you'll be able to enjoy the fruits of your labour.

Keep yourself physically, mentally, spiritually & emotionally well.

Eat well, sleep well, workout often and most of your issues will be easy to solve with a clear mind & a healthy body.
