

Dear Lyons Mill parents, teachers and students,

My name is Angela Hamm and I am the current president of the Lyons Mill Parent Teacher Association (LMES PTA). It is an absolute honor to serve you and your students! The events that have occurred over the past few months are unprecedented and I struggle to find the words that will resonate with and motivate parents and teachers during these uncertain times. The need to have parents and teachers working together has never been more certain. It is imperative that we continue to advocate for our children and encourage one another.

When you join the Lyons Mill PTA, you are not only joining an organization, but a family whose primary mission is to make every child's potential a reality by empowering families and communities to advocate for all children. Our goal this year is to provide opportunities for families to engage in their students' educational experience whether it be virtual or face-to-face.

If you have ideas or suggestions for ways the PTA can support our community, please email me at [lyonsmillpta@gmail.com](mailto:lyonsmillpta@gmail.com). I would love to hear from you. Although we are beginning the year with virtual learning, know that the PTA will still be here to connect with and support you. It is our desire that everyone will take advantage of this opportunity to connect with one another and our school community. Our students need us now more than ever. I hope that you will join us as we unite to navigate this new normal together.

Last, but certainly not least, get connected by joining our new [Lyons Mill Elementary School PTA Facebook](#) page and visiting our [website](#). Selecting the highlighted links will provide you direct access to our PTA website and Facebook page. You can also find these links in the Lyons Mill Elementary School newsletter. Information about becoming a member, volunteering and donating to the PTA will be available soon.

Looking forward to an exciting year!

All the best,

Angela Hamm

LMES PTA President
