ASSISTANT SECRETARY: Safia Mohammed-Lutchman

TREASURER: Wendell Mayers

TRUSTEE 1: Anderson Brumant

TRUSTEE 2: Cecily Maynard-James

PUBLIC RELATION OFFICER: Sarajudeen Mohammed

Dear Families,

A hearty congratulations and a warm welcome to St. George's College! It is with great honour and anticipation that we welcome you to be a part of such a thriving and vibrant community of which we the Parent Teachers Student Association (PTSA) form an integral part.

We the PTSA understand that education is a three cord rope that when bound together cannot be easily broken. It is when we support our children; we help them realise their truest potential. It is when we support our teachers and staff; that education is scaffolded to the next level. It is when we support our parents; that we become understanding of each child as an individual.

The role of the PTSA is therefore to listen to each other and support each other. This has been realised even more during this pandemic that we now face. Even more so now, we are determined in our cause to serve and forge a great relationship with your new parents.

With every parent comes new ideas and fresh energy—all benefiting our Georgian community! And your involvement provides direct benefits to your child. Studies consistently show that when children see their parents involved in their school, they have a more positive attitude towards school and perform better.

During this past season, the PTSA has undertaken a number of projects despite various difficulties. These included caring for our students and their families by the sourcing and distributing of hampers to those in need; assessments of the physical structure of the halls and other building to ascertain works needed for improvement and relevant costing; the installing of several hand washing units throughout the school compound; the carrying on of the previous administrations goals of assisting the students in their CSEC examination. Of course, such accomplishments are possible only through the involvement of people like you!

The PTSA is for everyone. We will soon have our first meeting for the new school year when you fully join our esteemed establishment. For information about specific activities, opportunities to become involved, or if you have ideas you would like to see brought to the St. George's PTSA, please read the information included in this package to learn more, and please feel free to contact us at sgcptsaxec@gmail.com

Sincerely

PTSA Executives
