**Re: Exemption from wearing a Mask due to hidden disabilities - Equality Act 2010 – Discrimination (Section 13 & Section 15)**

I understand that I am now required to wear a mask during working hours in order to carry out my duties. I wish to inform you that I hold a **Government Exemption Card in accordance with the 'Coronavirus Act 2020'** this card issued by the Government **guarantees me full exemption from wearing any mask or shield** in accordance with my disability and in conjunction with the **Equality Act 2010 (Section 13 & Section 15)** in which it is illegal to show discrimination or question persons on the particulars of their said disability (Maximum fine is £9,000 Nine thousand pounds) against anyone who suffers from hidden disabilities which prevents them from wearing a mask or shield.

I cannot wear a mask/splashback shield due to hidden disabilities and by **law this must be accepted** any such refusal to accept the **Government Exemption Card** is breaching my human rights (**UNESCO Bioethics & Human Rights 2005: Article 6.1 UK Law**) by forcing my consent i.e. making changes to my employment contract or limiting my rights to work as a result of my disability is in direct contravention of my rights.

Yours faithfully
