Dear Sir/Madam

Re: My Life Insurance Policy Ref/No: (*Enter the policy number here*)

I am writing to enquire as to the life cover of my Life Insurance Policy with your company.

I would kindly appreciate confirmation in writing that my current Life Insurance Policy with your company covers the following:

- 1) In the event of my death due to diagnosed Covid 19 (SARS-CoV-2 virus) will my Life Insurance policy pay out on death by Covid 19?
- 2) In the event that I accept the new Covid 19 (SARS – CoV2) vaccination as per the intended vaccination programme being introduced – will my Life Insurance policy pay out on any death as a direct or indirect result of receiving the vaccination or death by any cause including Covid 19 after receiving the vaccination?

I would be most grateful if you could provide accurate written current or future new amendments to my current Life Insurance Policy due to the current Covid 19 pandemic and how this may or may not affect my insurance policy with your company.

I look forward to hearing from you at your earliest convenience.

Yours faithfully,
