(School Address/Local Education Authority address)

Dear Sir/Madam

**For the urgent attention of The Head Teacher/Governing Body/Local Education Authority**

I wish it to be known that **I DO NOT give consent** and I refuse to allow any form of Coronavirus, Covid19 or SARS Cov2 testing or vaccinations to be conducted or performed on my child (Childs Name) "In accordance with my child's Human rights (Article 6.1 UK law and Article 6.1 & 6.3 2005 UNESCO bioethics human rights statement which reads"):

#### **UNESCO Bioethics & Human Rights 2005**

##### **Article 6.1 – Consent**

Any preventive, diagnostic and therapeutic medical intervention is only to be carried out with the prior, free and informed consent of the person concerned, based on adequate information. The consent should, where appropriate, be express and **may be withdrawn by the person concerned at any time and for any reason without disadvantage or prejudice.**

##### **Article 6.3**

In appropriate cases of research carried out on a group of persons or a community, additional agreement of the legal representatives of the group or community concerned may be sought. **In no case should a collective community agreement or the consent of a community leader or other authority substitute for an individual's informed consent.**

**Any such attempt in contravention of my consent will be treated as common assault upon my child and in contravention of their human rights mentioned above and will be the subject of prosecution in law of those involved in this action.**

I also wish it to be known and understood that as from the date appearing on this document – that at no time whatsoever should my child be treated differently and discriminately i.e. placed in isolation/separated from their peers/any action that differentiates my child from their classmates/peers/children attending the school due to being **non consensual to testing or**

**vaccination as any attempt to discriminate will be in breach of of the Equality Act 2010  
Section 14 & 15 – Discrimination and Harassment - this incurs a fine of up to £9,000 to the  
person committing this offence.**

**\*\*Important Notice: It has now been made mandatory that my child attends school  
(confirmed by fines on absence) and as such this means that my child is not voluntarily  
attending school, they are being forced to attend school and so this removes any such  
attempt to use voluntary attendance as an excuse to test or vaccinate my child by claiming  
that consent is given merely by their forced attendance at school.**

I wish the school to be advised that should my child at any time be refused education and/or  
discriminated against due to their disability at any time whilst in the mandatory charge of the  
school, I am within my lawful rights to remove my child from attending school in which the school  
environment is wilfully acting illegally and threatening the mental, physical health and safety of my  
child permitting me in law to keep my child from the school premises until the serious matters are  
dealt with by the Local Education Authority and in accordance with UK Law.

**Signed:**
