Add your interests. Cons: Logic is ignored in some places in order to allow more action or cool moments to occur. The artwork is frustratingly inconsistent. Overall: This is a fun comic book, plain and simple. It has lots of action, leads to a satisfying conclusion, and has a lot of great moments from individual characters. This allows the comic to turn into a truly over-the-top joyride. The only flaw is that this joyride is often pushed along by gaps in logic and strange decisions from smart characters. Any fan looking for a mostly visceral comic centered around the Batman-family should check out this series, as long as they are able to forgive a few mistakes here and there. Batman and Robin Eternal Vol. The action here is intense and leads to many over-the-top moments from many of the characters. If readers are willing to overlook these flaws they will find an enjoyable read underneath.

The best and most instantly entertaining aspect of Batman and Robin Eternal Vol.

## Review: Batman and Robin Eternal Vol. 2 - ComicBookWire

You save. Current Stock:. Beware of Mother. Now, Batman is gone. Dumas and its avenger, the deadly Azrael, Dick and Bluebird set out to rescue Cassandra from her father, the assassin Orphan. Format: Paperback. Pages: Publisher: DC Comics July 5, Language: English. ISBN Weight: Dimensions: 6. Case Pack: The narrative tackles fan complaints about Batman manipulating children and raising his own army of child soldiers. Over the course of this volume, I found the arguments made here quite successful. The artwork in Batman and Robin Eternal Vol. In nearly every chapter, the characters look noticeably different than they did before. In some, Dick Grayson looks like he is just exiting his teenage years, in others, he looks like about ten years older. There are a few seriously good chapters here, like the opening chapter from Marcio Takara and another one from Tony S. Daniel, but these highly positive chapters are a bit of a rarity.

The story here is not directly continued in any particular comic. Previous Volume Review. All Batman and Robin Eternal Reviews. Next Story Review. New Teen Titans Vol. Mighty Thor, Volume 1 - Paperback. Superman Vol. Batman Vol. Batman: Damned - by Brian Azzarello Paperback. Clean Getaway - by Nic Stone Paperback. See our price match guarantee. ## Strand Book Store

Her interactions with Dick basically consist of: Dick : Why did you lie to me? Helena : I have my reasons Dick: That's very, very not cool. Helena: We have a job to do! I'll explain later. That's their entire relationship here and in Grayson. The parts with Harper were very, very good. While I am mad that they pulled a Winter Soldier and the big crux of this was view spoiler [ Cass being made to kill Harper's mother hide spoiler ] I quite like Harper as a character.

I love her relationship with Cass and would gladly read a solo book about Harper. I would gladly read a book about her and Cass with my daughter's characterization and origin story restored. Damian showed up which was neat. He gave a rousing, inspirational speech which was unexpected. The whole purpose being to rally the troops because Bruce let them be their own windkeepers. It was fine, if cliché. I expected Dick to be the one to do that.

I really loved Midnighter. Like really, really loved Midnighter. More than anything, I just wanted to read more about that character. I like his banter with Dick. Ultimately, the reason this gets 3. The Mother is an interesting villain and her origin story was really well done. I feel like I understand why she did everything that she did. There's something so terrifying to me about a world full of murderous children. I liked that the Batfam came together without Bruce to save the day. I enjoy the concept of this book. I just hate that Cass' character was regressed in this storyline and that her screwed up, ret-conned origin story is carrying over into Rebirth.

I want my daughter back. If you enjoyed the first volume, you'll probably enjoy this one. View 2 comments. Mar 30, Roxanne rated it it was amazing Shelves: graphic-novels , five-stars , read This directly picks up from volume 1 so you can't just dive into this without reading that otherwise you're gonna be hella lost. The batfam are still dealing with Mother who is brainwashing kids into killing their parents so they can be the best damn killers there is. Mother is such a messed up character even scarecrow is scared of her so she's a really good villain to pit against the batfam as Mother adopts and trains orphans so does Batman so the robins are kind of having a bit of an identity This directly picks up from volume 1 so you can't just dive into this without reading that otherwise you're gonna be hella lost. Mother is such a messed up character even scarecrow is scared of her so she's a really good villain to pit against the batfam as Mother adopts and trains orphans so does Batman so the robins are kind of having a bit of an identity crisis at the same time.

This is such an amazing read i really loved it, i love the Batfam and how they all work together especially Todd and Drake it's just sweet. Midnighter is pretty awesome in this, he's actually written better than Midnighter's own series, and it's probably the only time where Jean-Paul didn't annoy the shit out of me, so that's an achievement all on its own. Definitely worth picking up, such an interesting story, of how Mother and Batman aren't a million miles away from each other and how things could have turned out differently, but it's a beaut of a read, especially for Batfam fans.

Jun 02, Kay rated it liked it Shelves: batfamily , superhero-comics. It's how people show affection to one another It's how they show they care. You are something more. You are what you choose to be. And you fought your way across the world so I would know what she's about 3. And you fought your way across the world so I would know what she's about to do. So I can stop Mother once and for all. You aren't a monster, that's what they tried to make you. But it didn't work. You are a hero. Because that's the path you took yourself. Dick: "They think They think it's some kind of blind devotion to Batman. That they can shatter what he meant to us by showing us that he wasn't perfect. But he wasn't. He was human. Same as the rest of us. That was his strength and his weakness. We're proven right and Batman is proven innocent in Vol. I do love the "psychological trauma" of Mother as a Batman baddie I squeed everytime Batman said he was proud of Dick as his partner, or when he said he never lost faith in Robin.

I always love me some good New 52 Damian. One tiny question Re: Damian though. If Tim and Harper and Cass? He's much younger than them I also liked the Batman flashbacks a lot. They added to the story, especially the issue "A Mother's Story", where we get Mother's origin story. Netz being a weirdo with Tim, "Mr. She's funny. To sum up, this is what I liked about this story Oct 06, Ivy rated it it was amazing Shelves: assassins-mercenaries-etc , batman-bat-family , supervillains , checked-out-from-library , published-in , villains , assassins , superheroes , dc-comics , detectives. Also glad to see that the Bat family and their allies were able to stop the children of the world from turning into Mother's children. Hope Cassandra Cain will be able to help Bruce in Gotham.

RIP Orphan. Can't wait to read more Batman and Bat family books!!! Nov 23, Mizuki rated it it was ok Shelves: comic. I can't get into this story line at all. AT ALL. Now I think I can handle Batman stories only when they were penned by the few of my favorite comic-authors. Dec 16, Gary Butler rated it it was amazing Shelves: graphic-novels. Number out of on my all time book list.

Very satisfying complex story here. Mar 09, Aaron rated it it was ok. While the action in this amps up considerably from the first volume and they get rid of the dumb nonsense about Batman potentially being bad , this still doesn't ever quite become a necessary event. It's still extremely slow-moving. This entire story could've been 12 issues long, but instead it's The central idea of the various Robins coming together to stop a threat that Batman couldn't handle alone is a solid starting point, but it just never explores that idea well enough.

It's another i While the action in this amps up considerably from the first volume and they get rid of the dumb nonsense about Batman potentially being bad , this still doesn't ever quite become a necessary event. It's another instance of having too many writers working on a single story. Another problem is how much this story relies on Harper Row, potentially my least favorite new character in all of the New Not only is it extremely unbelievable that an annoying teenage tech wizard would somehow be an incredible fighter despite never having thrown a punch in her life, but this book retcons her into being directly connected to Batman.

When she was introduced, she was just a random kid who used her tech ability to follow Batman around Gotham. It's just too much of a coincidence that she's also hugely important to him. Something that is truly insane in this story, and that I see a lot in comics, is how quickly superheroes forgive murderers who are now on their side. It's revealed in this book that Cassandra Cain, while still working on behalf of the villain Mother, murdered Harper Row's mom.

She wasn't under hypnosis or mind control or anything. She was brainwashed in a way, I guess, but still perfectly aware of her actions. She fully murdered Harper's beloved mother. And yet, Harper forgives her for it, like, pronto. Because they're on the same team now, and Harper's like "I know you're not that person anymore. Even if I found out my best friend killed my mom years ago, I'm pretty sure I'd at least be like "Sorry, man, I don't think I can hang out with you for a few years. So there, that's it. This is yet another skippable late-stage New 52 entry from Scott Snyder and company. Oh well. Mar 18, Logan rated it liked it. So this is the second volume of this series, and continues the whole Mother Story arc. I quite liked the first volume, but this one was okay. The ending I think was quite satisfying is it the end? We also get to learn more about Mother, her intentions and back story; it made her interesting, but in the end if they had a classic batman villain, it would Okay.

We also get to learn more about Mother, her intentions and back story; it made her interesting, but in the end if they had a classic batman villain, it would have been more exciting. In the end, it had a satisfying finish, but the overall story could have been better. Mar 18, Quentin Wallace rated it liked it. I just couldn't quite get into this. I don't know if it just didn't seem plausible or I just couldn't get over what felt like retconning, but this never did click with me. It wasn't really a bad read if you can put aside everything you know about Batman history and take things at face value which is probably how this was meant to be read.

I also felt like I was step behind with what was going on and never could quite catch up. Overall not really bad, just not so much for me. Mar 16, Henry Blackwood rated it liked it. Most of the issues were padding with boring action fight scenes. I rated it higher because I still believe this is better than Batman Eternal. Jul 26, Blindzider rated it liked it Shelves: comics. Very mixed feelings on this. In the beginning, I had a very hard time continuing to read it. Here was yet another story where Bruce is just this terrible mentor that has all these secrets, one of which just seems even too far over the line for him. Things come into light though and the book brings in some new themes. It really isn't about Bruce, it's about all of the Robin's and exactly why Batman chose to raise and train them. It's also about the "next generation" of the Bat team, namely Spoiler Very mixed feelings on this.

It's also about the "next generation" of the Bat team, namely Spoiler, Blue Bird, Azrael and Cassandra Cain, redefining their origins and relationships to each other. In addition, the serious themes include: just what exactly does trauma do to young children and choosing your own path to be who you are, despite your past. All the steps they have to take to stop the villains grand plan, the tough motivational orders about doing whatever it takes, and the last uplifting speech on just why they are heroes, all serve to complete the formulaic story but also dull the serious points the writers were trying to make. Mixed feelings. Mar 06, Beckiezra rated it really liked it Shelves: comics-manga.

The DC world has a real problem with people murdering parents and also with training kids to be assassins. An unrealistically big problem based on how many parents were gunned down to make all these children for Mother, plus there are all the girls at British assassin school and there are the batkids and, not really mentioned here, the whole court of owls thing with wanting Dick Grayson to be their talon. Feb 13, Trish Isiderio rated

it did not like it Shelves: lawd-deliver-us-from-evil. What can I say about this mess? I can't I just cannot. This was bad. Really bad. Not Cassandra Cain, or Damian's tender moment with Bruce, or the girl hug between Steph, Harper and Cass, or even the awesome bat allies cameos could save this. This was just a disaster and a poor entry to the batfamily lore.

Jul 06, Cree rated it really liked it. Nightwing is still ultimate, in my opinion. Although I enjoyed the story and the parallel between Batman and Mother, I thought the story went on just a tad bit too long. Ultimately, the ending scenes were definitely on point. Sep 18, Peter Krol rated it really liked it Shelves: fiction , comics-graphic-novels. Very well done. This felt more like watching a movie than any other comic I've read. Aug 02, Get X Serious rated it really liked it. You know what's confusing? Like younger and slimmer versions of themselves. Seriously, what the fuck? Can we retcon some appearances? For the love of god, it's so hard to tell them apart. Yeah, Tim Drake is a little skinnier than the others, big fucking deal.

His hair and face still screams mini-Bruce Wayne to me. So, I know some people might not be into it, but I love these 14 issue paperbacks. It's nice to know th You know what's confusing? It's nice to know that I'll get at least a solid couple hours of reading in, rather than burning through a 5 issue TBP in 40 minutes. It's like reading a new Christopher Nolan movie every time, albeit with a more compelling story thanks to Tim Seeley and Scott Snyder.

Also similar to Batman Eternal was the dramatic, high-as-fuck stakes conclusion. With literally the entire world under attack and the Batfam including Damian, knew he would show up, disappointed with how little role he plays plus a few extras like Midnigher whom Cullen Row refers to as a gay Batman, ha sweeping in to save the day.

With your powers combined, we are The deeper theme of this series is one of choice. Did Batman use tragedy to shape the Robins in the same fashion that trauma shaped him? Or did they choose this path of their own free will? Oppression is literally the absence of choice, and our villain, Mother, is guilty of this in the extreme. She's gone to extreme measures to induce trauma in children and manipulate them into becoming soldiers of a "higher order". Batman sees the similarities in how he, himself, and the Robins have also been shaped by trauma, and it bothers him more than a little bit, even choosing to distance himself lest he unconsciously influence them In this story, Batman is entirely absent, and our protagonists have to make hard decisions about how to deal with new revelations about themselves and the people they're fighting alongside.

Will they let violence and revenge dictate their actions, or will they rise above the tragedy in their own lives to become something better? Something that they can't be made to be, but rather, have to choose for themselves A HERO. Was that sufficiently melodramatic? Jun 25, Chris Lemmerman rated it really liked it Shelves: comics-and-manga-read. At half the size only 26 issues compared to Eternal's 52 , this one is a lot tighter and focuses a lot more on the characters involved. The idea of this story is to look at the legacy of Robin, and how each of the different Robins has affected Batman. In a time where Batman himself is out of action currently 'dead' at the hands o [Read as single issues - this review covers both volumes] Batman and Robin Eternal comes hot on the heels of the hugely successful and very enjoyable Batman Eternal.

In a time where Batman himself is out of action currently 'dead' at the hands of the Joker , Dick Grayson, Jason Todd, Tim Drake, and Damian Wayne have to step up to defeat Mother, a human trafficker who specializes in brainwashed children. With only half as many issues, the pacing of this book is quite quick. We still get the smaller mini-arcs as in Eternal, but there are fewer of these and the action bounces around quite quickly. By the Grace of the Gods Manga Roy , Ranran. Ian Flynn , Evan Stanley. Len Wein , Gerry Conway. Batman The Caped Crusader Vol. Teen Titans Academy Vol. The Dark. John Ridley , Brandon Easton. ### **Batman & Robin: Eternal, Volume 2 by James Tynion IV**

Tynion basically stole her family and now she's about as close to Bruce and Stephanie as Clayface is and that's a travesty. Anyway, on to the rest of this book: I read the first volume a little while ago so I have no clue why I had so much trouble following what was going on in this one. The stuff with Tim, Jason and Azrael threw me off so much and eventually my eyes just glazed over. I don't love any of the art in this book.

So, I didn't enjoy looking at it and when I was confused about the events, I didn't care enough to examine them closer. It's a shame because I quite enjoy Tim and Jason's chemistry. The bits with Bruce's past were pretty interesting. The parts with Dick and Helena were confusing to me because I'm pretty sure they pertain to the last dregs of Grayson and I haven't finished that series yet. Oddly enough, I'm not a huge fan of that version of Helena because, while she is very pretty, she's basically just completely untrustworthy. Her interactions with Dick basically consist of: Dick : Why did you lie to me? Helena : I have my reasons Dick: That's very, very not cool. Helena: We have a job to do!

I'll explain later. That's their entire relationship here and in Grayson. The parts with Harper were very, very good. While I am mad that they pulled a Winter Soldier and the big crux of this was view spoiler [ Cass being made to kill Harper's mother hide spoiler ] I quite like Harper as a character. I love her relationship with Cass and would gladly read a solo book about Harper. I would gladly read a book about her and Cass with my daughter's characterization and origin story restored. Damian showed up which was neat. He gave a rousing, inspirational speech which was unexpected. The whole purpose being to rally the troops because Bruce let them be their own windkeepers. It was fine, if cliché. I expected Dick to be the one to do that. I really loved Midnigher. Like really, really loved Midnigher. More than anything, I just wanted to read more about that character.

I like his banter with Dick. Ultimately, the reason this gets 3. The Mother is an interesting villain and her origin story was really well done.
