Different and unusual production techniques can be found on different components of the coffin cover. On the coffin lid, a canvas layer was laminated from the head to the breast, upon which a primer and a painting layer have been used.

The eyebrows and eyelids are modelled from hard wax and are painted, and inserted into pre-formed recesses. It is the third of the seven last medinite surahs of the quran. It deals with the banishment from medina of the jewish tribe of banu nadir, which took place a few months after the battle of uhud, in the fourth year of the hijrah. Aus Meinem Leben Erinnerungen Terms of Sale World of Books Ltd If you are not completely satisfied with your purchase for any reason, simply email customerservice worldofbooks. Ask Seller a Question. World of Books is the UK's Largest seller of used books online. We sell quality used books at competitive prices to millions of customers worldwide each year. Established by a group of dedicated book lovers, with an ethos to do good, over the past 10 years World of Books has grown to hold over 3 million in stock.

We are a circular economy, for profit company, that supports charities and protects the planet by enabling more goods to be reused. We don't believe that books should only be read once or have a single owner. By choosing to buy a great value second hand book, you're helping to continually recycle and share the love of literature in rereading and reusing it. Our prices are low to help millions of used books find new homes in over countries worldwide every year. World of Books purchases significant volumes of donated books from UK charities, taking the titles they don't want or haven't got space for. Our customers are helping to support good causes too - boosting revenues for charities and saving waste disposal costs. Our business model has generated over 12m for charities in the last 5 years. We consider ourselves pioneers in the re-use and recycling of unwanted books, recycling 27, tonnes of books each year, equivalent to , trees.

We do our best to provide good quality books but there's no escaping the fact that it has been owned and read by someone else before you. It may well show signs of wear and tear, however each one of our books is hand-checked by our dedicated team for defects before shipping. We hope you enjoy browsing through our titles today. Glossary Some terminology that may be used in this description includes: New A new book is a book previously not circulated to a buyer.
