as to-read Aug 01, There are no discussion topics on this book yet. Be the first to start one ». About Brander Matthews. Brander Matthews. James Brander Matthews was an American writer and educator. He was the first full-time professor of dramatic literature at an American university and played a significant role in establishing theater as a subject worthy of formal study in the academic world. Matt James Brander Matthews was an American writer and educator. He had no real interest in the law, never needed to work for a living given his family fortune, and turned to a literary career, publishing in the s and s short stories, novels, plays, books about drama, biographies of actors, and three books of sketches of city life.

Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. What people are saying - Write a review. View all ». Bibliographic information. This scarce antiquarian book is included in our special Legacy Reprint Series. In the interest of creating a more extensive selection of rare historical book reprints, we have chosen to reproduce this title even though it may possibly have occasional imperfections such as missing and blurred pages, missing text, poor pictures, markings, dark backgrounds and other reproduction issues beyond our control.

Because this work is culturally important, we have made it available as a part of our commitment to protecting, preserving and promoting the world's literature. Book Specifications. ISBN Language English. Binding Paper Back. Publisher Kessinger Publishing. Publishing Date Total Pages

He had no real interest in the law, never needed to work for a living given his family fortune, and turned to a literary career, publishing in the s and s short stories, novels, plays, books about drama, biographies of actors, and three books of sketches of city life.

One of these, Vignettes of Manhattan, was dedicated to his friend Theodore Roosevelt. From to, he was a professor of literature at Columbia and thereafter held the Chair of Dramatic Literature until his retirement in He was known as an engaging lecturer and a charismatic if demanding teacher An English professorship in his name still exists at Columbia. Matthews' students knew him as a man well-versed in the history of drama and as knowledgeable about continental dramatists as he was about American and British playwrights. Long before they were fashionable, he championed playwrights who were regarded as too bold for American tastes, such as Hermann Sudermann, Arthur Pinero, and preeminently Henrik Ibsen, about whom he wrote frequently and eloquently. He lived for the theater and made clear his belief that theater was a performance art, first and foremost, and that plays as literary texts should never be viewed in the same light.

Yet in the classroom he was an exacting guide to stagecraftsmanship. Matthews was a prolific, varied, and uneven writer, author of over thirty books. His own novels and plays are undistinguished and long-forgotten the claim to fame of one of his plays is its footnote status in Theodore Dreiser's novel Sister Carrie: it is the melodrama, A Gold Mine, Carrie attends which leads her to consider a career on the stage.

Some of his surveys of American literature and drama sold very well as high-school and college texts. Yet one of his earliest books, French Dramatists of the Nineteenth Century, is deemed to be an excellent scholarly study of the subject and was revised and reprinted twice over two decades, while his autobiography, These Many Years, is likewise deemed a deftly-told story of an education in the arts by a man who lived a rich and productive life. It also offers an interesting evocation of life in Manhattan.
