Case Closed, Vol. 33 | Book by Gosho Aoyama | Official Publisher Page | Simon & Schuster

Jimmy takes on the pseudonym Conan Edogawa and continues to solve all the difficult cases that come his way. All the while, he's looking for the men in black and the mysterious organization they're with in order to find a cure for his miniature malady. A diplomat is found dead in his study and Conan's on the case. But what exactly happened? The elder statesman was definitely murdered, but the door and windows to his private chamber were all locked from the inside. How in the world did the killer escape? And, as if that wasn't bad enough, Conan and his pals get swept up in a

missing person caper at the local library. Murder, kidnapping and drug smuggling aren't exactly the sorts of things condoned by librarians.

What's the connection? Conan thinks he knows the answer but he's got more pressing things to worry about--like escaping the deadly grasp of the fiendish miscreant! Aoyama's manga is greatly influenced by his boyhood love for mystery, adventure and baseball, and he has cited the tales of Arsene Lupin and Sherlock Holmes and the samurai films of Akira Kurosawa as some of his childhood favorites. Kids' Indie Next List. With the aid of inventor Dr. In Volume 33, we begin with a two-parter about the slow-burning romance between Tokyo police detectives Miwako Sato and Wataru Takagi.

Tired of waiting for Takagi to take the initiative, Sato agrees to an omiai potential engagement meeting with the wealthy police detective Ninzaburo Shiratori Santos. Too bad Takagi is trapped investigating a robbery where all the witness testimony is contradictory. And finally, American exchange teacher Ms. Jodie becomes involved in the death of a sleazy detective who was investigating a case of embezzlement. It leaves off on a cliffhanger—can you solve the mystery?

The first mystery requires knowledge of how the Japanese language has changed since pre-World War Two, and the cliffhanger also involves some knowledge of Japanese, but the others are solvable with a little effort. Previous post.

October 17, [7] January 15, [9] When Conan, Dr. Agasa, and George go missing in the castle, Amy and Anita try to uncover its secret. On a plane ride, Rachel falls asleep and remembers Jimmy's first case which also took place aboard a plane. They learn of a bank robbery, but when the bank president's wife is murdered, Conan joins Takagi and Sato on the case. Conan and Rachel join Harley and Kazuha for some shopping before the wedding of a family friend's kid.

However, the butler is found dead in a closed room. February 18, [11] March 18, [12] Conan and Harley work on the case of the dead butler in a closed room. While on a train, a killing and a recent robbery leads Conan to believe that both events are tied to a mystery novel that his father once wrote, but never published. On a beach trip, Serena is wooed by a good-looking guy but is attacked in multiple incidents by a mysterious man. April 17, [13] May 20, [14] The Junior Detectives spend an afternoon watching monster movies and learn that the theater will be closing; however, the buyer is murdered during a screening.

Rachel, Richard and Conan attend a private cruise. They discover that it was arranged by someone related to a famous bank robbery 20 years ago. With a retired police colleague of Richard's and teen detective Harley Hartwell, they attempt to determine who is behind the cruise and the recent deaths of some of the passengers. Sato chases down a fleeing suspect but inadvertently handcuffs him and herself to a toilet. July 17, [15] July 15, [16] The Junior Detectives help Takagi investigate a murder suspect so that the original suspect, who is handcuffed to Sato in an art museum, can be freed to make it to his daughter's wedding. However, they soon learn that the art museum is going to be demolished that next morning. Richard's doctor recommends that Richard stop drinking, but when the doctor is found dead in his bathtub due to an electric shock, his family members and their hired maid become suspects.

But during the case, Ran acts quite friendly towards the doctor's son Tomoaki Araide , that Jimmy feels jealous. Conan learns that the Black Organization is going to murder someone at a hotel, but that they are aware that Sherry will be there and look forward to killing her. October 18, [17] September 16, [18] Conan, Rachel and Serena are out skating when they encounter a group of friends that were in a clay shooting club together. But one of its members is murdered in a bathroom and the others become suspects. Harley and Richard are hired by a family who makes fancy puppets to investigate a curse of the Spider Queen where a string of people have mysteriously hung themselves amidst a web of strings in a shed. During the investigation, Serena is nearly killed. While Rachel prepares for a play in which a Black Knight will kiss her, Conan goes with the Junior Detectives on a camping trip where they find a cave and encounter some criminals hiding a body.

Conan is shot in the process, and the other members must escape the cave before they are killed. February 18, [19] November 18, [20] Rachel gives her blood to save Conan. Suspecting that Rachel might be onto his real identity, Conan plans on revealing his identity to her until Anita tells him the consequences: reveal his identity and put Rachel and everyone else in danger, continue to act cold and ignorant, or a third choice. During the school play, a man is murdered. At first Harley appears as Jimmy in disguise, but he is easily found out. Then the real Jimmy Kudo in full size thanks to an experimental antidote by Anita returns and solves the murder mystery. Later, Jimmy takes Rachel to a fancy restaurant and is about to tell her something when someone is murdered in an elevator.

Jimmy solves the case but reverts to his kid size before being able to return to Rachel. Richard is hired to investigate a music box given to a girl who had been pen pals with a stranger using a pager. They are able to track the sender of the pager to a family whose late grandfather was the correspondent. Rachel sees a mysterious silhouette crossing the hallway and one of the family members is injured in the head by a koto instrument. Conan solves the mystery and uncovers where the family treasure in the form of a rare postage stamp is hidden. April 18, [21] January 20, [22] Enjoying a day at the hotel resort, Richard is framed for the murder of his separated wife Eva Kaden's lawyer colleague, and must depend on Eva to solve it for him. Miwako Sato's father's murder case is about to expire from a statute of limitations, and Miwako has one last day to try to find the killer.

At the same time, the Junior Detectives help Miwako and Takagi track down a serial arsonist. Rachel and Serena find their new English teacher, Jodie Saintmillion, playing games at the video arcade, but when a man is mysteriously killed while playing a virtual reality fighting game, Conan scrambles to find the culprit. The Junior Detectives forage for Matsutake mushrooms, but when George wanders into a zone that is fenced off for hunting, the others have to split up to find him. Anita and Mitch discover a bear cub and a human corpse, but are then shot at by a hunter.

July 18, [23] March 17, [24] The case continues and the shooter is identified. A mysterious woman hires Richard to look for a guy based on a picture of them in junior high, but when they arrive the man is found dead. Conan finds inconsistencies in the woman's story as well. When they solve the case, the woman is revealed to be Heiji's mother. There is a tradition where an elder would bestow long life in the form of arrows connected to the legendary mermaid, however the girl's peers are also mysteriously killed. A woman walks out of a payphone and is beaten to death by a man with a bat.

When Inspector Megure hears a comment of how useless the police are, he starts getting flashbacks. September 18, [25] May 19, [26] The case regarding the dead ganguro girls continues as Conan discovers the suspect is going after girls with platform shoes, including Serena, and Inspector Megure's past is revealed. When a bus is hijacked, Conan suspects one of the passengers to be part of the gang given that his attempts to gather evidence are caught by the hijackers. However, Anita senses a member of the Black Organization is aboard, and it is revealed that the hijackers intend to blow up the bus. During an estate giveaway among dog-lovers, a dog is kidnapped, and Conan suspects the culprit is one of the regular visitors. Conan gets to meet his soccer idol at an event for a restaurant opening by some sports celebrities, but an infamous tabloid writer is murdered during a lighting of a bunch of rooms on a neighboring hotel, and the celebrities become suspects.
