

### **HFE Camp 2021 Covid-19 guidelines:**

Vaccination for Covid-19 highly recommended

Participants shall be tested for the COVID-19 virus and receive a negative test result to participate if has not been vaccinated

When playing each participant will use a flute shield or flute mask, (provided by the camp)

All participants will wear a mask when indoors

There will be a six-foot distance between participants when rehearsing

There would be an air purifier at all time during rehearsal

There will be a break every 40 minutes to ventilate the room

There will be a hand sanitizer available

Rehearsal area will be cleaned a sanitized daily

These are general guidelines, modifications will be made accordingly to the situation of Covid - 19 in the State of Connecticut at the time of the camp.
