

A bracket is a semi-circle-line that holds information that isn't completely necessary to the text. They can sometimes contain a character's thoughts or side information like, (brackets are boring to learn). Usually if brackets with information were removed from a text it wouldn't change anything, since the information isn't important.

Activity

Are these sentences correct or incorrect? Write the answers in your exercise books:

- 1- I love my dog (though he can be a bit messy)
- 2- (I think that we should cancel maths) it is boring
- 3- What do you think of the new car (I think that it is quite boring)
- 4- Maths is one of the worst subjects ever (thought Sarah)
- 5- I like banana split (Jack doesn't though)
