

Navigating the high school career path during and after high school can be daunting and confusing. Now is the time to learn about the numerous choices available to your student.

You are invited to participate in **Next Steps Empowering Parents** - an interactive webinar aimed at preparing parents and students for the many options available to them.

Following a brief keynote address by Kayleen McCabe, attendees will have the opportunity to explore different topic-specific breakout rooms with employers who are actively recruiting.

**You can register at the link in your email or at with this QR Code:**

Next Steps Webinars invites to our webinar:

## **Empowering Parents**

**an Interactive Webinar**
