

Study Habits Survey

Mark **yes** or **no** for each question:

	Yes	No
I put homework before hanging out with friends		
I turn my assignments in on time		
I know what environment is best for me to study in		
I am organized with my backpack, folders, and notebooks		
I ask for help when I don't understand something		
I keep a planner or write down what assignments are due and when		
I communicate with teachers if I am going to be absent, or when I return		

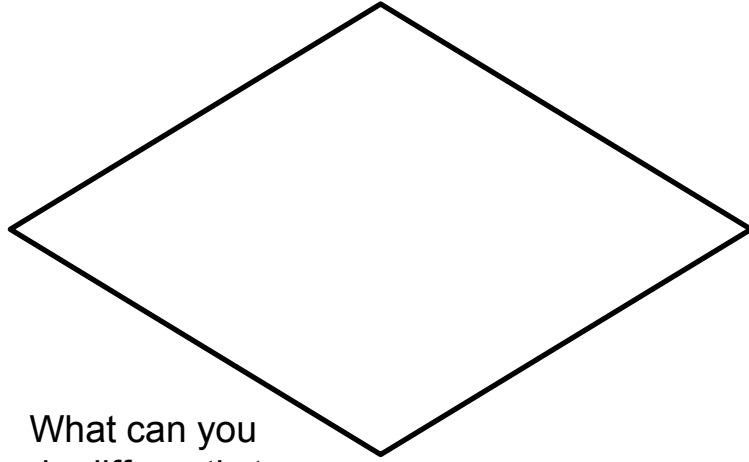

Pick one study habit from the other side of this worksheet that you answered as no. Fill out the graph below:

What is the study habit you need to work on making better?

Why is it hard for you?

What can you do differently to make this study habit better?

How will fixing this habit help you in college or when you have a career?
