

Introducing our new Transfer Mobility Coaches (TMCs)!

Eddie Wedlowe, MHW, Lisa Hunt MHW, Vincent Conklin, ED Tech, Christopher Becket, Mgr., Peri-Op Support Services, Clara Karas, RN MCH, Shante Willis, MHW 1South, Alyssa Small, MST Infusion Therapy, and Irene Demata, RN Infusion Therapy

TMC Training was conducted in July 16 by Safe Patient Handling committee members, Cherry Fuentes and Nancy Fox from Organizational Development and Carrie Klemens RN 2C. Our TMCs are vital in keeping our patients and staff safe. TMCs serve as role models and resource to their colleagues related to safe patient handling.

Next Safe Patient Handling competency sessions:

- August 7, 8, and 9
- October 9 & 10

Please complete your SPH HealthStream assignment before attending the session.
