
MAGNET DATA ANALYST FINDINGS

TIME FRAME: 3Q 2016 – 2Q 2018

Kathy Calabro

kcalabro@northwell.edu

914-366-3508

1. HOSPITAL ACQUIRED PRESSURE INJURIES STAGE 2 AND ABOVE

- ☒ Majority of the units outperform the benchmark (all hospitals mean) the majority of the time. 4/5

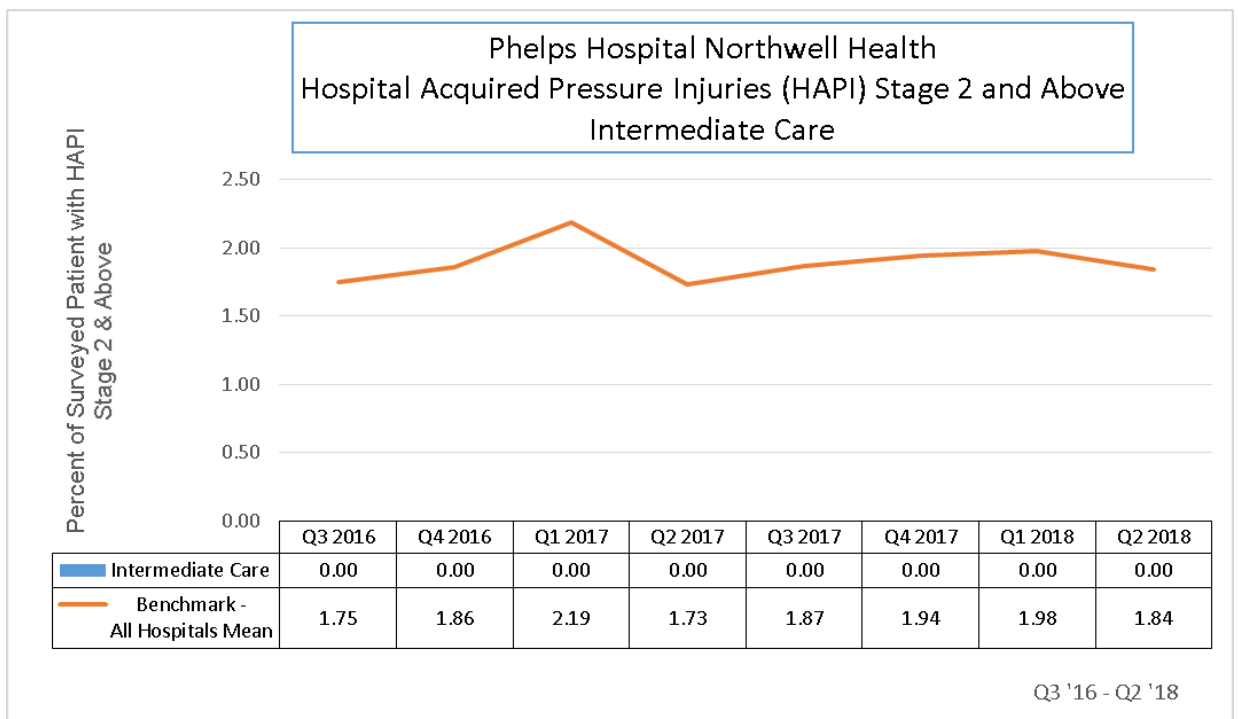

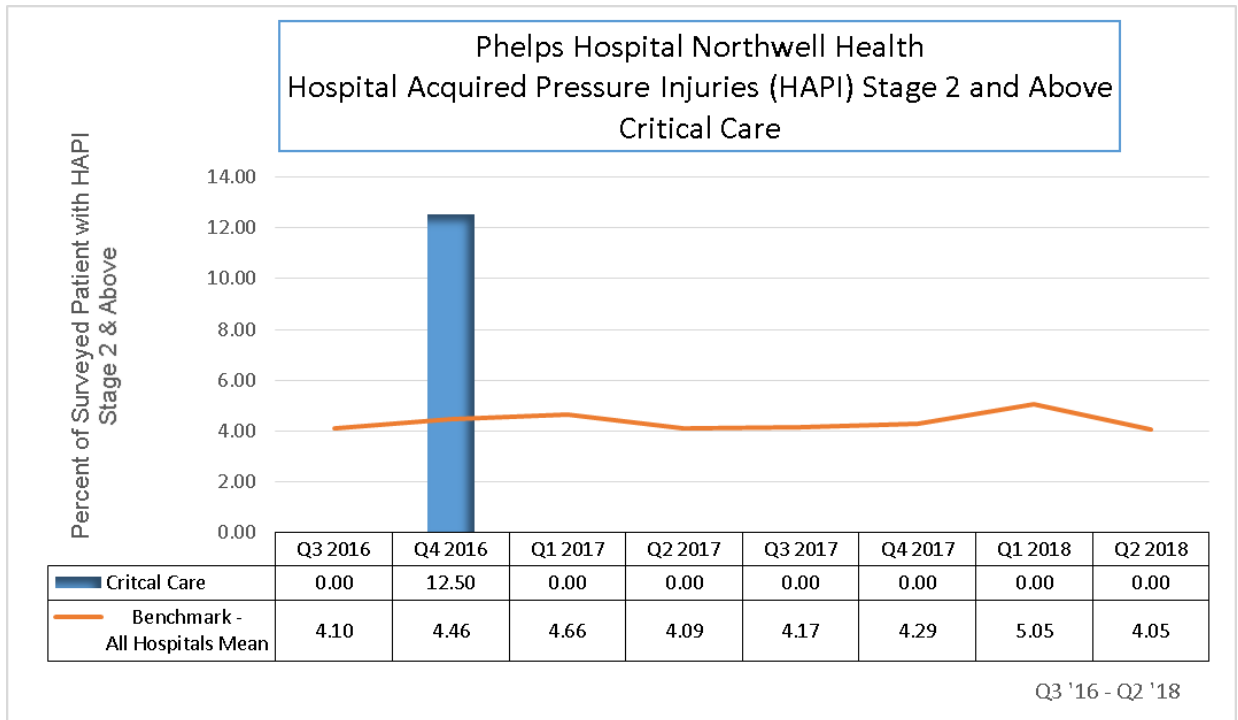

Opportunity: 5N

5North:

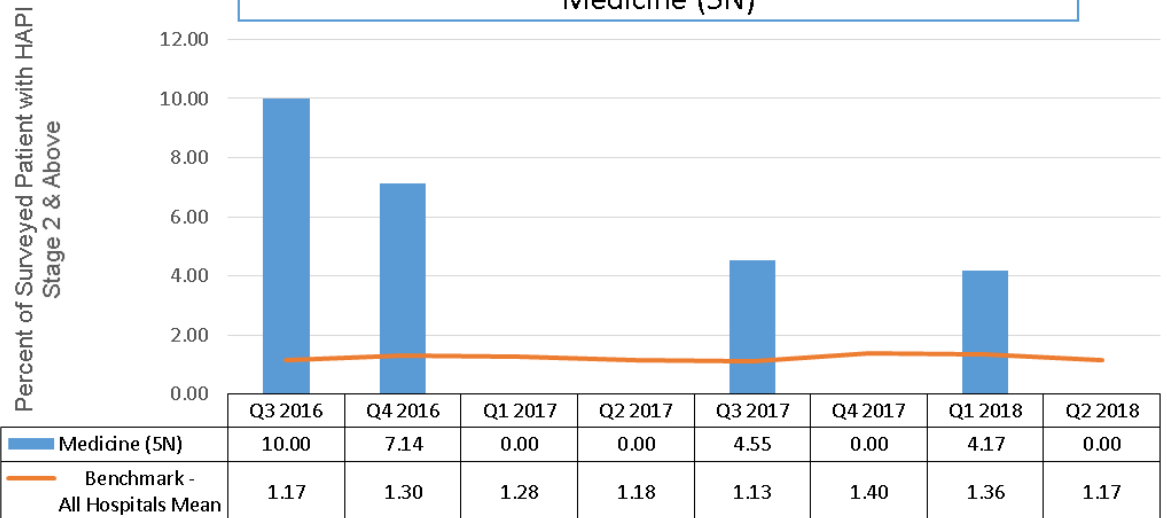

2 Quarters that do not outperform will drop off in the next 2 quarters.

Action Plan: Debbie Reynolds will work with her wound care resources and create a re-education plan highlighting the new skin care products, new beds, new heel booties, focus on prevention of device related wounds

HAPI Stage 2 and above
