| Location | ATRIUM CONFERENCE ROOM | | | | |
| Date | June 19, 2019 | | | | |
| Time | 9am-11am | | | | |
| Conducted By | Judy Kennedy BSN,RNC | | | | |
| Topic/ Facilitator | Discussion | Staff Input & Feedback | Action | Magnet Components | Strategic Plan Indicator |
| 1. Introduction Review of minutes. Judy Kennedy | <ul style="list-style-type: none"> Introduction of any new members or guests. Minutes reviewed. Minute recorder assigned | | <ul style="list-style-type: none"> Welcome! Glad to have you! Minutes accepted | <input checked="" type="checkbox"/> Transformational Leadership <input checked="" type="checkbox"/> Structural Empowerment <input checked="" type="checkbox"/> Exemplary Professional Practice <input checked="" type="checkbox"/> New Knowledge, Innovations and Improvements | <input type="checkbox"/> People <input type="checkbox"/> Patient Experience <input type="checkbox"/> Quality <input type="checkbox"/> Financial Performance <input checked="" type="checkbox"/> Operations |
| 2. New Knowledge and Innovation Goals, Updates and opportunities Judy Dillworth, PhD, RN, NEA-BC, CCRN-K, FCCM | <ul style="list-style-type: none"> Join professional organizations! Look at the article on peer mentoring. We are a part of this! Encourage all staff to read journal etc.. so we can communicate about our practice. Citi Training reminder Judy Dillworth announced the Nurse Residency Program Northwell is building. | <p>Judy Dillworth discussed need for all members and staff working on EBP or research projects that their Citi training needs to be complete.</p> <p>Phelps will start our Nurse Residency program in August</p> | <ul style="list-style-type: none"> CONGRATULATIONS to CANDICE JOHNSON BSN,RN She has completed her Citi Training! | <input checked="" type="checkbox"/> Transformational Leadership <input checked="" type="checkbox"/> Structural Empowerment <input checked="" type="checkbox"/> Exemplary Professional Practice <input checked="" type="checkbox"/> New Knowledge, Innovations and Improvements | <input checked="" type="checkbox"/> People <input checked="" type="checkbox"/> Patient Experience <input checked="" type="checkbox"/> Quality <input checked="" type="checkbox"/> Financial Performance <input checked="" type="checkbox"/> Operations |

| | | | | | |
|-----------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>3. Case Management Kerry Kelly</p> | <ul style="list-style-type: none"> • .Kerry Kelly came to the meeting to discuss re-admission reduction opportunities. Best practices to prevent re-admission | <ul style="list-style-type: none"> • Group discussed ways to help with decreasing re-admission rates. Pt. Education was discussed along with call backs to patients | <ul style="list-style-type: none"> • This is a great opportunity for RN's to drive practice. Cathy Calabro will meet with Kerry Kelly to set up a graph with some base line data and then that could help with our EBP education | <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Transformational Leadership <input checked="" type="checkbox"/> Structural Empowerment <input checked="" type="checkbox"/> Exemplary Professional Practice <input checked="" type="checkbox"/> New Knowledge, Innovations and Improvements | <ul style="list-style-type: none"> <input checked="" type="checkbox"/> People <input checked="" type="checkbox"/> Patient Experience <input checked="" type="checkbox"/> Quality <input type="checkbox"/> Financial Performance <input checked="" type="checkbox"/> Operations |
| <p>4. Organizational development updates presented by Nancy Fox MC-C,BS,NEA,CN ML,NPD Director Organizational Development</p> | <ul style="list-style-type: none"> • Discussion about new EBP Algorithm • Other classes that are offered are outlined in Nursing News. • CITI Training is expected for all members of this council • Nancy Fox discussed the revised Clinical Ladder. If you are doing a Research/EBP in your department it is a way to become a level3/4 | <ul style="list-style-type: none"> • J Kennedy passed out copies of the Northwell EBP algorithm. Reviewed and discussed. • Nancy Fox will review and send out copies of the tool. • K. Calabro shared the link on the Nursing website under the New Knowledge and Innovations section for Citi Training. | <ul style="list-style-type: none"> • We will invite Ani Jacob DNP, RN-BC to our meeting in July to discuss and answer any questions. Ani is part of the Northwell Health EBP task force • Let's all remind staff to look at the nursing website to see list of classes. | <ul style="list-style-type: none"> <input type="checkbox"/> Transformational Leadership <input checked="" type="checkbox"/> Structural Empowerment <input checked="" type="checkbox"/> Exemplary Professional Practice <input checked="" type="checkbox"/> New Knowledge, Innovations and Improvements | <ul style="list-style-type: none"> <input type="checkbox"/> People <input checked="" type="checkbox"/> Patient Experience <input checked="" type="checkbox"/> Quality <input type="checkbox"/> Financial Performance <input checked="" type="checkbox"/> Operations |

| | | | | | |
|------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|
| <p>5. Journal Club</p> <p>Paulo Poyaoan, BSN,RN</p> | <ul style="list-style-type: none"> Judy Kennedy remarked how great it is to read the articles on the website. | <ul style="list-style-type: none"> Judy Kennedy had discussion on how other areas are getting staff to participate. Mona Maloney noted “it is so easy to do” why aren’t staff reading the articles? | | | |
| <p>6. Clinical Nurse Scholar Program</p> <p>Peggy Tallier EdD,RN,MPA</p> | <p>Members of this council and others are and will continue to develop a knowledge base regarding EBP and research. Our goal is to formalize our “clinical nurse scientists (scholars)” program so that clinical experts can advise and mentor colleagues. We need to develop a group of RN’s who want to be involved. The “ Clinical Scientists” can also help with finding Research or EBP based on staff RN’s areas of interest.</p> <p>Advanced Practice RN’s (APRN) use EBP in every day practice and can also serve as clinical experts and mentors.</p> | <ul style="list-style-type: none"> Judy Dillworth added that through the Clinical Scholar program it is a way to present ourselves and what we already are doing. All who join will have to sign a contract, have clear objectives, time lines and will be open to all. Peggy Tallier remind us that “ Nurse Satisfaction comes from within”. | <ul style="list-style-type: none"> We are all looking forward to the Clinical nurse scholars representing what is going on in particular units. This will help RN’s not to stagnate. Looking into different ways to get the word out. | | |
