

Good Afternoon all,

Please find your unit's March hand hygiene data below.

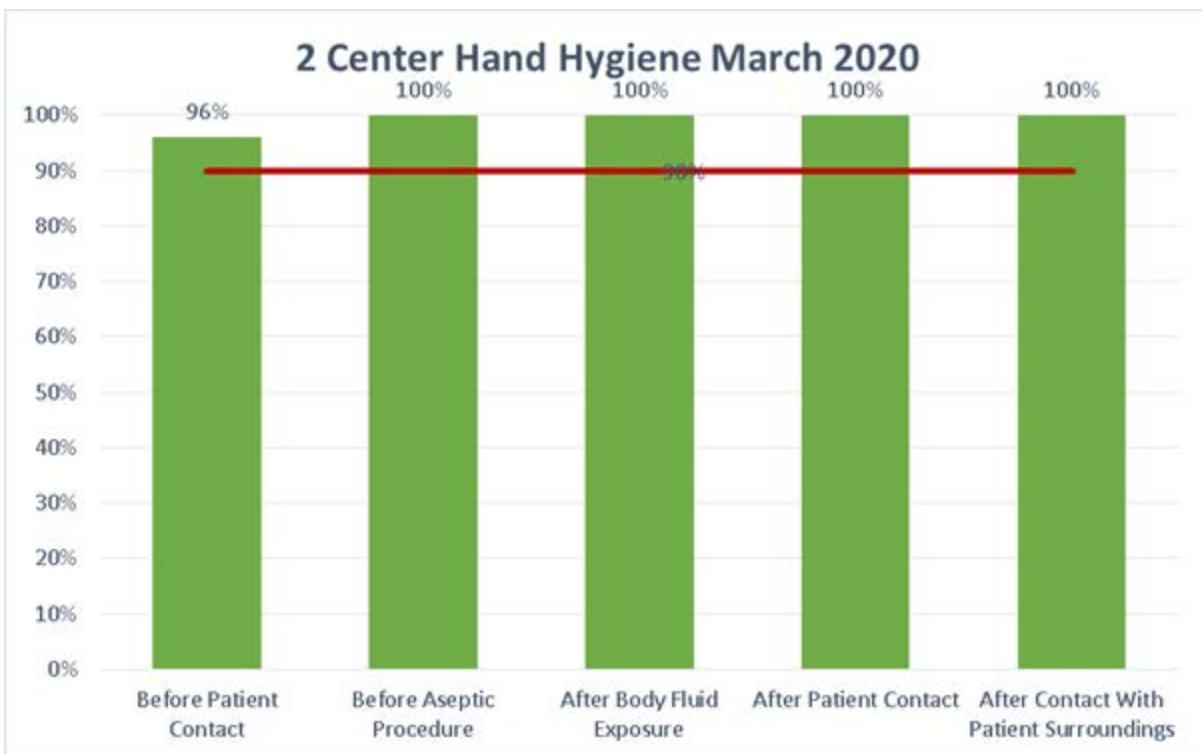

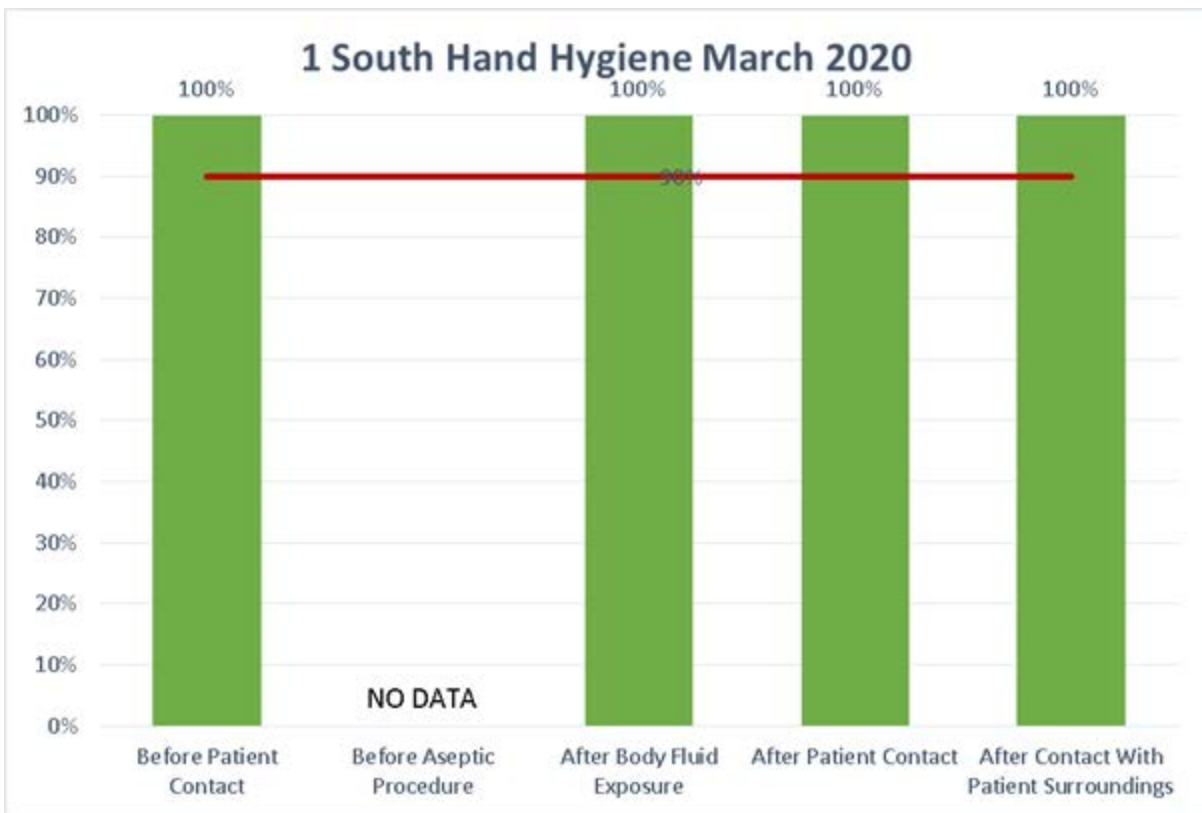

Please note that not all the departments submitted the required amount of Hand Hygiene data for the month of March. I understand that it is a very unusual time due to COVID-19. We ask for a total of 4-5 sheets/month or a total of 20 observations/month. Please have staff members complete and fax the hand hygiene audits to Infection Prevention at x1282 or scan them to CCastano1@Northwell.edu. If you have any question about your unit or departments submitted Hand Hygiene data thus far, please feel free to contact me.

**Legend**

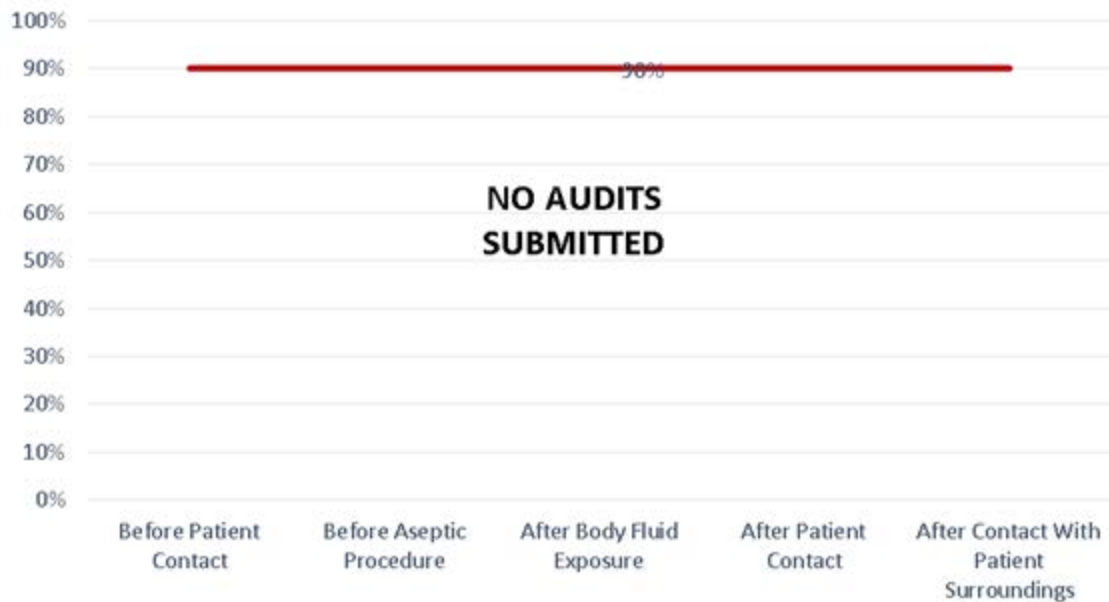

**0% - Hand Hygiene was not performed any of the times indicated**

**No Data – No data was collected for this indication**
