26th Annual Nursing Research Conference

Caring in Crisis: Developing the Science Virtual Conference

4.0 Contact hour

We extend an invitation to join us for our 26th annual nursing research conference.

Presentations will focus on challenges and discoveries associated with providing nursing care during a pandemic.

[Click Here to Register Now!](#)

Our keynote speaker Dr. Kristen Swanson, will present her Theory of caring and its application to nursing in uncharted territories.

Findings from three studies will contribute to the science of caring during crisis.

You will leave informed and inspired!

Date: November 12th, 2020

Time: 12:00 PM EST - 4:00 PM EST

Location: (Virtual) Zoom

Contact Hours: 4.0 Nursing
