## 1. INPATIENT - EP20EO - PAGES 2-18

---

### Category 1: Patient Engagement

- ☒ Majority of the units **continue to** outperform the benchmark (all hospitals mean) the majority of the time. **Remained at 67%.**

### Category 2: Service Recovery

- ☒ Majority of the units **continue to** outperform the benchmark (all hospitals mean) the majority of the time. **Improved to 78%.**

### Category 3: Courtesy & Respect

- ☒ Majority of the units **now** outperforms the benchmark (all hospitals mean) the majority of the time. **Improved from 44% to 56%**

### Category 4: Responsiveness

- ☒ Majority of the units **continue to** outperform the benchmark (all hospitals mean) the majority of the time. **Remained at 56%.**

As of 3<sup>rd</sup> Q 2020, I started to track the additional categories we can select for Magnet 2024. **We outperform the benchmark in all categories!**

### Category 5: Care Coordination

- ☒ Majority of the units outperform the benchmark (all hospitals mean) the majority of the time. - **78%.**

### Category 6: Careful Listening

- ☒ Majority of the units outperform the benchmark (all hospitals mean) the majority of the time. - **56%.**

### Category 7: Patient Education

- ☒ Majority of the units outperform the benchmark (all hospitals mean) the majority of the time. - **56%.**

### Category 8: Safety

- ☒ Majority of the units outperform the benchmark (all hospitals mean) the majority of the time. - **56%.**

Notes for 2021 - 1) will change 3 North (FNA 2 North) to just 3 North, 2) add 2 North as a new unit, 3) remove 4 North 4) change the display to the top 4 categories each quarter.

## 2. \*AMBULATORY - EP21EO- PAGES 19-38

---

### Category 1: Patient Engagement

- ☒ Majority of the units **continue to** outperform the benchmark (all hospitals mean) the majority of the time. **At 56%**

### Category 2: Patient Education

- ☒ Majority of the units **continue to** outperform the benchmark (all hospitals mean) the majority of the time. **Decreased from 89% to 78%**

### Category 3: Safety

- ☒ Majority of the units **continue to** outperform the benchmark (all hospitals mean) the majority of the time. **Increased to 89%**

### Category 4: Courtesy & Respect

- ☒ Majority of the units **continue to** outperform the benchmark (all hospitals mean) the majority of the time. **Decreased from 78% to 67%**

#### Notes:

- \* Continue to have Press Ganey survey collection error with CARDIOVASCULAR. Cardiovascular Services = CardRhb + EKG HM + VascLab. CardRhb has not had surveys returned since 3<sup>rd</sup> Q 2019. Fortunately we have data from EKG HM, Vascular Lab.
- Press Ganey Collection error fixed in 3<sup>rd</sup> Q 2020 for: PAIN CENTER, AND RADIOLOGY.
- Missing data has a negative impact on compliance % due to missing data considered to not outperform the benchmark.
- Currently PACU = surveys from EyeSurg + SurgiCtr + CardVers. Need to confirm this is correct and that ASU would equal PACU.
- In 2021, will extend tracking and reporting on the other categories.
