

COVID-19 Response
Week 1: 3/8/20-3/14/20

3/8/20

- First patient tested positive for COVID-19

3/9/20

- Northwell launched an employee website where Phelps team members can learn more about our preparedness and safety efforts to combat COVID-19

3/9/20

- Communication email from Dr. Toby Banc MD, Sr. Vice President & Medical Director, regarding preparedness plan and FAQs

3/10/20

- Communication email from Michael Dowling, President and CEO Northwell Health - "Remain calm, rely on the facts and be prepared"

3/11/20

- Michael Dowling discusses updates on Northwell's COVID-19 testing capabilities

3/12/20

- Communication email from Glen Taylor, Vice President Support Services, communicating updated visitation guidelines

3/13/20

- Northwell Now communication

3/13/20

- Communication email from Eileen Egan, JD, BSN, RN, Interim Executive Director and Tobe Banc - Highlighting: mask guidelines and visitor restrictions, new meeting guidelines, travel guidelines, no finger punch.

COVID-19 Response
Week 2: 3/15/20-3/21/20

3/15/20

- Communication email from Glen Taylor communicating Visitation guidelines updated - Entrance Closure Alert (755 building)

3/16/20

- Communication email from Glen Taylor communicating all staff required to wear masks

3/17/20

- Communication email from Jeff Meade, Asst. Vice President Operations - Command Center Activation

3/17/20

- Communication email from Michael Dowling, President and CEO Northwell Health - steps being taken to protect team members and our patients.

COVID-19 Response
Week 2: 3/15/20-3/21/20 (continued)

3/19/20

- Communication email from Northwell regarding PPE resources

3/20/20

- Northwell shares new commercial

3/20/20

- Communication email from Security Department regarding off-hours hospital entrance closures

3/20/20

- Communication email from Eileen Egan - highlighting the following:

- We have increased our negative pressure rooms – We had 13 rooms, added 9 more and plan on adding additional rooms in the week(s) to come.

- One designated support person can accompany patients admitted to L&D when admitted for Labor. A designated support person may be permitted to remain with the patient in the postpartum unit. There will be no return visitation once leaving the building

3/20/20

- Communication email from Northwell - Dowling calls for calm, common sense actions to combat COVID-19 spread

COVID-19 Response
Week 3: 3/22/20-3/28/20

3/23/20

- Posted Managing Fear and Anxiety (MFaA) series support links on Nursing Website

3/23/20

- Communication email from Northwell - Important updates regarding COVID-19

3/24/20

- Communication email from Northwell - Message from Michael – Coronavirus update

3/24/20

- Communication email from Eileen Egan - updates from Employee Health Services

3/24/20

- Communication email from Senior Leadership - environmental changes. We may be asked to assist other hospitals in the health system with beds and resources should the need arise.

3/24/20

- We expanded the ICU capacity to 5 South pediatrics for critical care patients; there are 4 extra beds with the ability to make semi-private if necessary.

3/24/20

- Pediatrics has been relocated to 4North which was vacated approximately a week ago in anticipation of the need for non-critical beds. The same number of pediatrics beds is still available.

3/24/20

- 3North patients were consolidated due to low census, and this allowed us to add additional nursing resources to the other med/surg units and the ED with the ability to reopen whenever the need arises.

3/25/20

- 20 pizza pies supplied by the Clinton Foundation

COVID-19 Response
Week 3: 3/22/20-3/28/20 (continued)
