# 2021 NDNQI - RN SURVEY

September 13, 2021 - October 3, 2021

## Who can take the NDNQI RN Survey?

### Eligibility Criteria:

- ✓ RNs who are full or part-time, who spend at least 50% of their time in direct patient care and have been employed a minimum of 3 months on the unit.
- ✓ RNs who are unit based per-diems.

*Agency and contract RNs are not eligible*

## Is the NDNQI RN Survey anonymous?

**Yes.**

The survey **results are confidential.**

- Individual responses are directly collected by NDNQI.
- NDNQI does not provide hospitals access to individual results.
- Unit data is not reported if less than 5 RNs responded.
- **Names are not collected.**

## Do I have to take the NDNQI RN Survey?

**No, participation is voluntary.**

We would like to hear the voice of every eligible RN because every opinion matters.

## If a specific question does not apply to me and/or my unit can I select N/A?

**Yes.**

If there is not an N/A available you **can** leave blank and skip question.
