1.Introduction 					

	<p>NICER-P Study</p> <p>Healthy Work Environment Challenge: OR – Go clear award.</p> <p>Ria Sampson RN BSN gave a follow up on her EBP for ICU/5 South comparing pain evaluation tools for non-verbal patients. CPOT vs BPS</p>	<p>PI Candice Johnson has told us that it's been challenging due to COVID restrictions.</p> <p>Judy Dillworth amended the IRB to add interviews. Nicer-P: 7 participants were interviewed</p> <p>The OR staff presentation of GO CLEAR was fantastic!</p> <p>Critical Care Pain Observation tool= CPOT. Northwell pain policy uses CPOT. Systematic review done with new articles including 2020&2021</p> <p>Discussion about the ICU fellowship and OR fellowship program. Possible longitudinal study on these fellowships and how they have flourished.</p>	<p>Judy Dillworth will analyze the data. Hope to complete by the end of this year.</p> <p>Congratulations to all.</p> <p>ICU clinical Nurses are critiquing the literature and validated uses of the CPOT tool for implementation</p> <p>Fellowship helps with employee retention.</p>		
<p>3. Organizational development updates Nancy Fox MS-C BS,NEA,CNML,NPD, RN-BC</p>	<p>New grads on units now EBP workshops are open to sign ups</p>	<p>Talk about opportunities at staff meetings</p>		<ul style="list-style-type: none"> • Transformational Leadership • Structural Empowerment • Exemplary Professional Practice 	<ul style="list-style-type: none"> • People • Patient • Experience • Quality • Financial • Performance • Operations

5, New Knowledge council reports on Research and EBP's and PICO questions	EBP Fellowship at Northwell. Doreen Gallagher DNP,RN,PMH-BC	<p>Call for applications for next fellowship candidate</p> <p>Zoom offerings November 16th Jane White Research design</p> <p>Doreen Gallagher working with Judy and Nurse Residency candidates to develop EBP topics.</p>	<p>EBP fellowship. YOU !! Can be the representative for Phelps at Northwell</p>	<ul style="list-style-type: none"> New Knowledge, Innovations and Improvements 	
	Patient education toolkit	<p>Patient Education TOOL KIT developed by the Patient Education committee.</p> <p>Looking for a Patient Education Champion</p> <p>PICO question: In adults 65 and older does use of tele sitters reduce fall rate in acute care settings.</p>	<p>Look on Nursing website for more information.</p> <p>PINK binder hand delivered by Doreen to 30 areas of the hospital. “ Teach one Do One”</p> <p>Check NICHE website for additional information</p>		
	5N/2N Jade Santiago and Miska.	<p>3 North Unit remains closed. Working on this PICO question...In post-op surgical patients set alarm to do q2hour rounds to have patient use incentive spirometer to decrease lung atelectasis.</p> <p>Staff shortage but good news positions are getting filled !!</p>	<p>Follow up with discussion about PICO question at next meeting</p>		

	3N Ashley Sanda	Will start working on EBP			
	1South Doreen Rutigliano	PICO question formulated: Will incoming and outgoing nursing staff stopping and take a mindfulness minute prior to shift change report improve staff anxiety and irritability			
	MCH. Judy Kennedy	QBL vs EBL continues.	TRITON scales purchased for L&D and post partum.		
	Periop Svices Fareeda Ahmend	Implementing Scott trigger tool to identify patients at risk for pressure injury pre op.	Not having much success with starting. Getting new staff		
	Skin and wound care, Debi Reynolds, WOCN	Device related pressure injuries. Hospital has seen 3 in last 4 months. Discussion on EBP to address this. Working on PICO for example: For patients with ace wrap placed in the OR does placement of foam cushion(pad) prevent pressure injury	More information to follow. Will check on skin champions. Will do literature search. Nurse Residents work on this if able.
