

**Patient Care Services
Critical Care Nursing Fellowship
Application**

Program Description:

Phelps Hospital Northwell Health is committed to enhancing the personal and professional excellence of our nurses and encourages professional development. The Critical Care Fellowship provides an opportunity for our clinical nurses to gain the knowledge and skills needed to provide excellent care to critically ill patients.

The fellowship curriculum includes:

1. E-Learning- ilearn modules, Essentials of Critical Care Orientation, EKG monitoring, Stroke Management and other e-Learning modules
2. Live didactic and skills sessions led by Phelps critical care educator, physicians, clinical professionals, and simulation experiences at Northwell's Center for Learning and Innovation.
3. Precepted critical care experience- facilitated by the critical care educator and precepted by an experienced critical care nurse
4. Dependent on previous experience and competency development needs, the Critical Care Fellowship will last 5-6 months.

Eligibility Criteria:

- Any Phelps nurse who has been employed for at least 1 year in their current role
- 2 years prior med-surg experience, or 18 months prior telemetry experience
 - If other experience, the plan may include experience in a med-surg or telemetry setting prior to entering the fellowship
- BSN required
- Applicant is not currently participating in a fellowship program
- Applicant is not currently in a college program requiring significant and defined clinical hours
- Compliance with time and attendance policy for past 12 months per Kronos report
- Employee file without employee discipline for past 12 months
- Completion of all current iLearn and HealthStream assignments

Commitment Expectations:

The critical care fellowship is a shared responsibility and accountability between the RN and the critical care department. Significant resources will be provided to the RN therefore the following commitment by the RN is expected:

- Full time schedule; 13 shifts per month
 - 1- shift per week will include a combination of six hours of didactic and skills and six hours of e-Learning
 - Weekly e-Learning assignments must be completed by established due date
 - 2- 12 hour precepted shifts; 2 days in a row
- Participant must follow the preceptor's schedule for precepted experiences
- If the permanent schedule will be nights, the first 3 months will follow a day shift schedule before moving to nights
- Commitment- a minimum of 2 years full time at Phelps following completion of the 6 month fellowship
