

Being in Charge:

A Professional Development Workshop

Purpose:

The purpose of this activity is to enable the learner to identify competencies of an effective team leader, describe the performance improvement initiatives of the organization, identify the principles of project management, and identify the steps in developing a professional portfolio. (This program fulfills part of the RN Level II requirements.)

Target Audience:

Any RN who has an interest in acquiring the necessary knowledge, skills, and attitude to be an effective team leader, manage a project, initiate performance improvement programs and develop a professional portfolio.
